Transhumanism A Grimoire Of Alchemical Agendas:

Transhumanism Scott D de Hart, Joseph P. Farrell, 2012-11-06 The ultimate question is no longer who am I or why am I here These questions were answered in the earliest civilizations by philosophers and priests Today we live in an age of such rapid advances in technology and science that the ultimate question must be rephrased what shall we be This book investigates what may become of human civilization who is setting the agenda for a trans humanistic civilization and why The modern Victor Frankenstein holds a high political office carries diplomatic immunity and is most likely funded by the largest corporations worldwide His method is ancient alchemy His fraternities are well known and their secrets are well kept but his goal of times past and present is the same he dares to become as god genetically manipulating the seeds of the earth the beasts on the fields and to claim legal ownership over humanity by re creating it in his own image This is no fairy tale science fiction or conspiracy theory it simply is Transhumanism a Grimoire of Alchemical Agendas by Dr s Joseph P Farrell and Scott D de Hart lifts the veil from the macabre transhumanistic monster being assembled and exposes the hidden history and agenda that has set humanity on a collision course for the Apocalypse Joseph P Farrell is the author of the best selling Genes Giants Monsters and Men The Surviving Elites of the Cosmic War and Their Hidden Agenda Transhumanism - Engineering the Human Condition Roberto Manzocco, 2019-03-11 This book is designed to offer a comprehensive high level introduction to transhumanism an international political and cultural movement that aims to produce a paradigm shift in our ethical and political understanding of human evolution Transhumanist thinkers want the human species to take the course of evolution into its own hands using advanced technologies currently under development such as robotics artificial intelligence biotechnology cognitive neurosciences and nanotechnology to overcome our present physical and mental limitations improve our intelligence beyond the current maximum achievable level acquire skills that are currently the preserve of other species abolish involuntary aging and death and ultimately achieve a post human level of existence The book covers transhumanism from a historical philosophical and scientific viewpoint tracing its cultural roots discussing the main philosophical epistemological and ethical issues and reviewing the state of the art in scientific research on the topics of most interest to transhumanists The writing style is clear and accessible for the general reader but the book will also appeal to graduate and undergraduate students The Gnostic Luciferian New Age Babylon Revisited Gregory Lessing Garrett, 2019-09-30 The Gnostic Luciferian New Age Utopia will be based upon a Mystery Babylon re visitation of tolerance for all behaviors narcissistically self indulgent sexually perverse psychoactively induced and sinfully decadent with self worship and self adulation as the highest pinnacle of religious zeal Additionally utilizing the trickery and artifice of an Alien Antichrist Messiah Deception the Luciferian Elite seek to obliterate Christianity and replace it with a Gnostic Pantheistic Cosmogogenesis narrative where Ancient Aliens are our true genetic origins and Cosmic Evolution with Mankind in tow is the Grand Design of the Universe Since this is a very real situation which effects all the world in the direst sort of way the contents of this book

are relevant to all citizens of the world This book bravely explores the various guises that this repackaged Babylonian Gnostic Luciferianism has taken and how it got to this point as well as offers answers to this nefarious situation **Shelley**

Unbound Scott D. de Hart, 2013-07-22 Frankenstein was first released in 1818 anonymously The credit for Mary Wollstonecraft Shelley s authorship first occurred in 1823 when a French edition was published A year earlier Mary s revolutionary husband the influential poet dramatist novelist and essayist Percy Bysshe Shelley died The same year Frankenstein or The Modern Prometheus its full title was first published so was another work by Mary s husband that shares use of the word Prometheus The drama Prometheus Unbound was indeed credited to Percy Shelley The secret admission of many experts in English literature is that Mary Wollstonecraft Shelley did not write a good portion of Frankenstein In Shelley Unbound Oxford scholar Scott D de Hart examines the critical information about Percy Shelley s scientific avocations his disputes against church and state and his connection to the illegal and infamous anti Catholic organization the Illuminati Scott D de Hart s fascinating investigation into Frankenstein and the lives of Mary Wollstonecraft and Percy Shelley results in an inconvenient truth regarding what we have long believed to be a great early example of the feminist canon Scott D de Hart was born and raised in Southern California He graduated from Oxford University with a PhD specializing in nineteenth century English literature and legal controversies Financial Vipers of Venice Joseph P.
