Transnational Organized Crime and Natural Resources Trafficking Donald R. Liddick Jr., 2019-12-31 This book describes and analyzes conflict commodities which the author defines as high value commodities trafficked in by networks of transnational criminals who use the illicitly derived proceeds to finance armed conflict and loot natural resource wealth from national treasuries Each chapter examines a different commodity or set of commodities that have become the province of transnational organized crime networks diamonds ivory rhino horn timber lapis lazuli jade rare minerals gold and oil receive scholarly analyses across multiple dimensions including the structure and operation of criminal networks the social and environmental consequences of the various conflict commodities trades and the full range of palliative responses The book provides coverage of all the players involved from high ranking government officials to insurgent groups and terrorists The work also enumerates the array of human rights abuses associated with the traffic in conflict commodities

Organized Crime Klaus von Lampe, 2015-07-16 Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from

a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Transnational Unconventional Organized Crime: A National and Global Security Concern Christian Kaunert, Sarah Léonard, Anthony J. Masys, 2025-08-30 This edited book volume 1 focuses on exploring the global security issues associated with transnational unconventional organized crime The book is divided into 2 sections Part 1 Unconventional Organized Crime Landscape Part 2 Cyber space and organised crime Transnational unconventional organized crime pose a significant and growing threat to national and global security affecting public safety human security public health economic and governmental stability Not to mention the contributions transnational organized crime makes to terrorist financing The adaptive nature of transnational organized crime group as well as terrorist and insurgent organizations makes them capable of innovating in real time to exploit natural disasters social crisis and global pandemics Currently with the advent of the COVID 19 pandemic transnational organized crime has flourished taking advantage of the unprecedented opportunities for illicit activities For example as reported in TRACIT 2020 Worldwide reports indicate a surge in the availability and type of fraudulent medical products intended to exploit the fears of consumers which includes illicit offerings of falsified versions of treatments such as Hydroxychloroquine and Azithromycin that will harm or kill already vulnerable patients Joint operations by the World Customs Organization Europol and Interpol have resulted in a significant increase in seizures of counterfeit and unauthorized face masks and hand sanitizers

Crime Fiction in the Caribbean Lucy Evans, 2024-09-18 Crime Fiction in the Caribbean Reframing Crime and Justice is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region's multi layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region's colonial past Reading crime fiction through the lens of criminological research Crime Fiction in the Caribbean brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre's international dimensions

Consequences of Peace Arie Marcelo Kacowicz, Exequiel Lacovsky, Keren Sasson, 2021-07 A rigorous global examination of the links between peaceful borders and illicit transnational flows of crime and terrorism *Mexico Is Not Colombia*

Christopher Paul, Colin P. Clarke, Chad C. Serena, 2014-05-05 Despite the scope of the threat they pose to Mexico's security violent drug trafficking organizations are not well understood and optimal strategies to combat them have not been identified While there is no perfectly analogous case from history Mexico stands to benefit from historical lessons and efforts that were correlated with improvement in countries facing similar challenges related to violence and corruption **Government and**

Governance of Security Carlos Solar, 2018-06-27 At a time when Latin America is experiencing societal unrest from human rights violations corruption and weak institutions Government and Governance of Security offers an insightful understanding for the modern steering of crime policies Using Chile as a case study the book delivers an untold account of the trade offs between political judicial and policing institutions put in practice to confront organised crime since the country's redemocratisation In an effort to encompass the academic fields of political science public policy and criminology Carlos Solar challenges the current orthodoxies for understanding security and the promotion of the rule of law in developing states His research aptly illuminates the practicalities of present day governance and investigates how networks of institutions are formed and sustained across time and subsequently how these actors deal with issues of policy consensus and cooperation To unveil the uniqueness of this on the ground action the analysis is based on an extensive revision of public documents legislation media accounts and interviews conducted by the author with the key policy makers and officials dealing with crimes including drug trafficking money laundering and human smuggling Government and Governance of Security will be of interest to scholars of Latin American studies security and governance and development **Dirty Money** Christian

Leuprecht, Jamie Ferrill, 2023-09-15 Financial crime in Canada remains a mystery omnipresent but we know little about its operation Transactions are cloaked with apparent legality which makes tracking criminal activity through economic or financial statistics a complex undertaking This distinctive volume aims to stem in out and through flows of vast sums of dirty money by enhancing Canada's capacity to detect disrupt deter investigate and prosecute domestic financial criminals and transnational organized criminal organizations It brings together leading scholars and practitioners from the public and private sectors to identify and explore deficiencies in federal and provincial policy regulation legislation politics institutions and enforcement as well as the international financial crime regime Together contributors pinpoint weaknesses that have turned the Canadian federation into a destination of choice for global financial crime where its perpetrators can operate with impunity Dirty Money reveals how globalization and technology have spun an extensive web of clandestine processes that disguises how financial criminals operate the channels they use and how they suborn banks and institutions In the process the extent of financial crime in Canada and its corrosive effects on communities democratic institutions and prosperity becomes apparent Contributors Sanaa Ahmed John Cassara Garry Clement Arthur J Cockfield Caroline Dugas Jamie Ferrill
