Women's International Thought: A New History Patricia Owens, Katharina Rietzler, 2021-01-07 Women's International Thought A New History is the first cross disciplinary history of women's international thought Bringing together some of the foremost historians and scholars of international relations working today this book recovers and

analyses the path breaking work of eighteen leading thinkers of international politics from the early to mid twentieth century Recovering and analyzing this important work the essays offer revisionist accounts of IR s intellectual and disciplinary history and expand the locations genres and practices of international thinking Systematically structured and focusing in particular on Black diasporic Anglo American and European historical women it does more than add women to the existing intellectual and disciplinary histories from which they were erased Instead it raises fundamental questions about which kinds of subjects and what kind of thinking constitutes international thought opening new vistas to scholars and students of international history and theory intellectual history and women s and gender studies The Geometries of Afro Asia Joan Kee,2023-04-18

How do we embark on a history of art that proceeds from the assumption of a global majority Taking as a rhetorical departure the construct of Afro Asia which doubles as both an ontological reference and an epistemological intervention this book centers the worlds Black and Asian artists initiate through their work Afro Asia breaks down delineated time into points trajectories angles magnitudes and relative positions so that temporality and chronology figure primarily as questions of geometry it asks if and how we can we be something other than what biology politics culture and economics tells us we are or must become Spanning North America Europe Asia and Africa this book challenges the institutionalization of contemporary art as a global enterprise increasingly governed by the judgments of a self selecting minority **Traveling**

Texts and the Work of Afro-Japanese Cultural Production William H. Intellectual Tradition Derrick P. Alridge,Cornelius L. Bynum,James B. Stewart,2021-08-03 Considering the development and ongoing influence of Black thought From 1900 to the present people of African descent living in the United States have drawn on homegrown and diasporic minds to create a Black intellectual tradition engaged with ideas on race racial oppression and the world This volume presents essays on the diverse thought behind the fight for racial justice as developed by African American artists and intellectuals performers and protest activists institutions and organizations and educators and religious leaders By including both women s and men s perspectives from the U S and the Diaspora the essays explore

the full landscape of the Black intellectual tradition Throughout contributors engage with important ideas ranging from the consideration of gender within the tradition to intellectual products generated outside the intelligentsia to the ongoing relationship between thought and concrete effort in the quest for liberation Expansive in scope and interdisciplinary in practice The Black Intellectual Tradition delves into the ideas that animated a people s striving for full participation in American life Contributors Derrick P Alridge Keisha N Blain Cornelius L Bynum Jeffrey Lamar Coleman Pero Gaglo Dagbovie Stephanie Y Evans Aaron David Gresson III Claudrena N Harold Leonard Harris Maurice J Hobson La TaSha B Levy Layli Maparyan Zebulun V Miletsky R Baxter Miller Edward Onaci Venetria K Patton James B Stewart and Nikki M Taylor

Sounds from the Other Side Elliott H. Powell, 2020-11-03 A sixty year history of Afro South Asian musical collaborations From Beyonc s South Asian music inspired Super Bowl Halftime performance to jazz artists like John and Alice Coltrane s use of Indian song structures and spirituality in their work to Jay Z and Missy Elliott s high profile collaborations with diasporic South Asian artists such as the Panjabi MC and MIA African American musicians have frequently engaged South Asian cultural productions in the development of Black music culture Sounds from the Other Side traces such engagements through an interdisciplinary analysis of the political implications of African American musicians South Asian influence since the 1960s Elliott H Powell asks what happens when we consider Black musicians South Asian sonic explorations as distinct from those of their white counterparts He looks to Black musical genres of jazz funk and hip hop and examines the work of Miles Davis John Coltrane Rick James OutKast Timbaland Beyonc and others showing how Afro South Asian music in the United States is a dynamic complex and contradictory cultural site where comparative racialization transformative gender and queer politics and coalition politics intertwine Powell situates this cultural history within larger global and domestic sociohistorical junctures that link African American and South Asian diasporic communities in the United States The long historical arc of Afro South Asian music in Sounds from the Other Side interprets such music making activities as highly political endeavors offering an essential conversation about cross cultural musical exchanges between racially marginalized musicians *The Cambridge History of America and the World: Volume 4, 1945 to the Present* David C. Engerman, Max Paul Friedman, Melani McAlister, 2022-03-03 The fourth volume of The Cambridge History of America and the World examines the heights of American global power in the mid twentieth century and how challenges from at home and abroad altered the United States and its role in the world The second half of the twentieth century marked the pinnacle of American global power in economic political and cultural terms but even as it reached such heights the United States quickly faced new challenges to its power originating both domestically and internationally Highlighting cutting edge ideas from scholars from all over the world this volume anatomizes American power as well as the counters and alternatives to the American empire Topics include US economic and military power American culture overseas human rights and humanitarianism third world internationalism immigration communications technology and the Anthropocene *Asian*

America Pawan Dhingra, Robyn Magalit Rodriguez, 2021-05-20 Asian Americans are the fastest growing minority population in the country. Moreover, they provide a unique lens on the wider experiences of immigrants and minorities in the United States, both historically and today. Pawan Dhingra and Robyn Magalit Rodriguez's acclaimed introduction to understanding this diverse group is here updated in a thoroughly revised new edition. Incorporating cutting-edge thinking and discussion of the latest current events, the authors critically examine key topics in the Asian American experience, including education and work, family and culture, media and politics, and social hierarchies of race, gender, and sexuality. Through vivid examples and clear discussion of a broad range of theories, the authors explore the contributions of Asian American Studies, sociology, psychology, history, and other fields to understanding Asian Americans and vice versa. The new edition includes further pedagogical elements to help readers apply the core theoretical and analytical frameworks encountered. In addition, the book takes readers beyond the boundaries of the United States to cultivate a comparative understanding of the Asian experience, as it has become increasingly global and diasporic. This engaging text will continue to be a welcome resource for those looking for a rich and systematic overview of Asian America, as well as for undergraduate and graduate courses on immigration, race, American society, and Asian American Studies.
