Counsel's Guide to Examining and Preparing Witnesses in International Arbitration Ragnar Harbst, 2015-10-20 Mastering the art of witness examination is essential in order to prevail in international arbitration Lawyers acting as counsel in arbitration know that witness evidence stands out from the plethora of documentary evidence in terms of uniqueness and authenticity A vivid first hand live account of the events in issue exerts a strong influence on the arbitrators and a handful of memorable testimonies can outweigh an avalanche of documents This book shows how such mastery in the art of witness

examination is accomplished In the majority of today s international arbitrations witness examination is modeled around the common law practice of lawyer led questioning Arbitration practitioners are therefore more and more expected to take charge of the examination process Drawing on the principles of the art of advocacy in the common law tradition this persuasive and highly engaging book sets out in great detail the practical techniques applicable to the use of witnesses in arbitration The author describes such elements of witness evidence as the following differences between common law and civil law systems in regard to taking witness evidence techniques for interviewing witnesses and preparing witness statements question techniques for direct examination and cross examination methods for developing forceful cross examinations the boundaries of witness preparation preparing the witness for direct examination and cross examination psychological risks of witness preparation guidelines for witnesses during direct examination and cross examination All topics are illustrated by way of practical examples which also serve as a pool of useful model phrases and expressions Practical appendices include ready to adapt sample documents such as a procedural questionnaire procedural rules and a witness statement The book will be particularly useful for arbitration practitioners who have had little exposure to the adversarial approach to evidence and who wish to learn the ropes of lawyer led witness examination and preparation However any practitioner stands to gain from applying the book s practical guidance and the author s wise counsel *ICT Practitioner Skills and Training Solutions at Sub-degree and Vocational Level in Europe* A. Willi Petersen, Carsten Wehmeyer, 2004 Recog 1 Executive summary 2 Introduction 3 Industry need for ICT skills and practitioners 4 ICT curriculum development guidelines and new European training solutions 5 Cooperation in Initial VET and continuing training at European level 6 Conclusions and recommended actions *Care and Feeding of Witnesses, Expert and Otherwise* Maxine Kurtz, Glenn G.
