Voice Of A Prophet Who Speaks For God:

Voice of a Prophet A.W. Tozer, 2014-05-29 During his ministry which included extended pastorates in Chicago and Toronto Dr Tozer was often referred to as a prophet That doesn't mean he predicted future events but rather he spoke God's truth to believers and the culture even if it meant disrupting the status quo Even in the Bible prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future The encouragement in *Voice of a Prophet* is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book Using the lives of such prophets as Elijah Elisha and John the Baptist Tozer underscores the importance of the ministry of the prophet in our world today

Speaking With God's Voice Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it's not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that's you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you're a believer God appoints you to two roles immediately One as the receiver of God's word one as the deliverer of God's word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God's word It is as they move into the role of deliverer of God's word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words

101 Prophetic Ways God Speaks Hakeem Collins, 2019-11-19 God is speaking Are you listening Often we convince ourselves that God only speaks to really spiritual people But the truth is that God longs to speak to every one of His children You can hear His voice 101 Prophetic Ways God Speaks will help all believers access the supernatural voice of God speaking direction

God's Voice Riaan Engelbrecht, 2023-10-12 There is this strange

notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen

The Rise of the Prophetic Voice Alph Lukau, 2019-10-24 The prophetic ministry is one of the most powerful yet least understood callings in the church today The Rise of the Prophetic Voice is an educational and revolutionary book that unveils biblical prophecy the prophetic anointing and how it operates in the modern world It serves as a rare tool of the Holy Spirit shedding light on the prophetic gift and equipping believers to walk in their divine calling The Bible is a prophetic book and the birth of Jesus Christ fulfilled ancient prophecies Yet many Christians remain unaware of the supernatural power of prophecy In this book Alph Lukau presents Spirit led revelations that demonstrate God's authority divine wisdom and prophetic fulfillment He provides a strong scriptural foundation dismantles misconceptions and challenges believers to embrace the five fold ministry with confidence As the world shifts toward self reliance and spiritual complacency the church must reclaim its prophetic voice This book rekindles the fire of the Holy Spirit guiding readers to discover their prophetic calling understand its significance and step into spiritual warfare miracles and divine revelation Through deep theological insights and practical applications Lukau empowers believers to operate in the prophetic mantle and fulfill God's end time agenda Whether you are new to prophetic ministry or seeking to grow in spiritual gifts The Rise of the Prophetic Voice will transform your faith and prepare you to be a vessel of God's power

Makes the bold claim that the rhetorical skills of public speaking are essential to all Christian witness **Mormons, Musical Theater, and Belonging in America** Jake Johnson, 2019-06-30 The Church of Jesus Christ of Latter day Saints adopted the vocal and theatrical traditions of American musical theater as important theological tenets As Church membership grew leaders saw how the genre could help define the faith and wove musical theater into many aspects of Mormon life Jake Johnson merges the study of belonging in America with scholarship on voice and popular music to explore the surprising yet profound link between two quintessentially American institutions Throughout the twentieth and twenty first centuries Mormons gravitated toward musicals as a common platform for transmitting political and theological ideas

Johnson sees Mormons using musical theater as a medium for theology of voice a religious practice that suggests how vicariously voicing another person can bring one closer to godliness This sounding Johnson suggests created new opportunities for living Voice and the musical theater tradition provided a site for Mormons to negotiate their way into middle class respectability At the same time musical theater became a unique expressive tool of Mormon culture

The Prophetic Realm Riaan Engelbrecht,2023-01-19 In the Old Testament the prophet would guide the king therefore the people by speaking the will of God and many times the will of God will include correction judgment and warnings Prophets were often ignored in the Old Testament while even back in those days among the true prophets you found many speaking deceptions and lies Today nothing has changed because God does not change Hebrews 13 8 Prophets are still called to lead the corporate church by speaking and declaring the will the purpose and the mandate of God What the prophet utters may contain correction or judgment or it may speak of encouragement direction or wisdom Prophets still speak to nations or even to a multitude of nations declaring the will of God not just unto the Church but unto secular leaders as to warn to guide to direct and to declare the heart and mind of God Thus from the old to the new nothing has changed in regard to the prophet Yet the office is often misunderstood and also shrouded in mystery erroneous perceptions and terrible abuse This series divides the truth from the myriad of lies misconceptions fallacies and erroneous teachings regarding the prophetic

Bitter Fruit Keith Gordon Ford,2021-06-17 No church founder or planter likely intends to start a church with the stated goal of allowing abuse or abusing those within it Yet sadly and too often even in the

best of churches abuse does occur The bitter fruit of abuse does not appear from nowhere Its origins the soil in which it grows and the structures that support it need be understood if we are to eradicate this fruit from within our churches and Christian organizations Bitter Fruit Dysfunction and Abuse in the Local Church describes those psychologies social psychologies and inadequate theologies that are frequently true in churches that enable abuse regardless of the form the abuse may take It is vital that you understand these things if you are a pastor leader or lay person seeking to maintain a healthy church environment
