Voices From The Voluntary Sector

Voices Off Liz Cooper, 1995 **Conference Papers: Strengthening the Voices of Excluded People - Having Your Say Annual Conference (28 November 2005)** , *The Voluntary Sector and Criminal Justice* Anthea Hucklesby, Mary Corcoran, 2016-02-09 The voluntary sector has a long history of involvement in criminal justice by providing a variety of services to offenders and their families victims and witnesses This collection brings together leading experts to provide critical reflections and cutting edge research on the contemporary features of voluntary sector work in criminal justice At a time when the voluntary sector s role is being transformed this book examines the dynamic nature of the voluntary sector and its responses to current uncertainties and some of the conflicting positions with regards to its present and future role in criminal justice work It also examines the potential impact of economic political and ideological trends on the role and remit of voluntary sector organisations which undertake criminal justice work **Communities, Voices and Change** Siobhán Airey, 2006 *A Voice for Nonprofits* Jeffrey M. Berry, 2023-07-31 Nonprofit organizations are playing an increasingly important role in delivering basic government services Yet they are discouraged by federal law from participating in legislative lobbying efforts even on issues that affect their clients directly Without the involvement of nonprofits in the governmental process the vulnerable populations they serve are left without effective representation in the political system A Voice for Nonprofits analyzes the effect of government restrictions on the participation of nonprofits in the policymaking process and suggests ways to address the problems The relationship between nonprofits and the government is ideal in many respects according to Jeffrey M Berry and David F Arons By underwriting operating budgets and subcontracting the administration of programs to nonprofits governments at all levels are able to take advantage of nonprofits dedication imagination and private fund raising skills However as nonprofits assume greater responsibility for delivering services traditionally provided by government that responsibility is not matched by a congruous increase in policy influence Berry and Arons believe the lobbying restrictions should be eased so that nonprofits may become more involved in public policymaking Their recommendations are designed to ensure that nonprofit organizations and the constituencies they serve are effectively represented in the American political system *Making the Voice of Humanity Heard* Liesbeth Lijnzaad, Johanna van Sambeek, Bahia Tahzib-Lie, 2021-11-08 HRH Princess Margriet of the Netherlands has made her mark in the annals of the International Red Cross and Red Crescent Movement In this anthology prominent members of the world community and global experts and practitioners come together to pay tribute to Princess Margriet for her decades of dedicated service to the Movement and the Netherlands Red Cross Society This tribute takes place on the occasion of the end of her eight year tenure as Chair of the Standing Commission of the Red Cross and Red Crescent Under the Princess s guidance the Standing Commission has come to play a strong and unifying role in the Movement This unique collection of scholarly and inspirational essays offers a wealth of information on the constituent components and statutory bodies of the Movement and contemplates

its mission to help victims and improve the lives of vulnerable people It addresses the humanitarian concerns and challenges of our time The anthology further provides a unique forum for the current debates on the application and development of international humanitarian law It also discusses the Movement's relations with governments and external partners and the contribution of volunteers This is the first book to bring the relatively unknown Standing Commission of the Red Cross and Red Crescent and its work prominently to the fore Making the Voice of Humanity Heard is essential and accessible reading for anyone interested in the daunting tasks and fundamental role of the International Red Cross and Red Crescent Movement as well as the contemporary threats and challenges to humanitarian assistance and international humanitarian law
