Voices From The Titanic Mysteries In Time Series:

The Titanic in Print and on Screen D. Brian Anderson, 2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind's hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron's blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history's most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children's books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers

The Titanic Eugene L. Rasor, 2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music film and exhibitions Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the Titanic

What Do I Read Next? 00 V2 Gale Group, 2000-11

October Dawn Jim Walker, James Walker, 2001 Torn between his faith and family Johnny works with his brothers to find his father's killer He uncovers something even more sinister than the seedy dealings of the Pera gambling empire Could his father really have been involved in a plot to kill Cuban dictator Fidel Castro Back cover

American Book Publishing Record, 2000

The Titanic and the Indifferent Stranger Paul Lee, 2009 Even the staunchest of landlubbers knows what rockets at sea mean or do they A short space of time after the fatal collision with an iceberg the Titanic's crew sent rockets aloft to attract the attention of a ship seen just a few miles But that ship never

responded and 1500 people died in the frigid waters This book details the scandal of the Californian blamed by many for being that very unresponsive stranger Rockets were seen and ignored but was the Captain guilty of mass murder Did more than 1000 people needlessly die Why was the wireless operator not awakened Could the Californian have saved anyone And why is this story neglecting the ethical controversy surrounding salvage the single most divisive issue in the Titanic research community

Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965 Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos

The Agatha Principle and Other Mystery Stories Elizabeth Elwood,2012-04-19 The least likely person is the killer and no one is really who they seem So Jordan Hope tells his cast as they prepare to rehearse Agatha Christies The Mousetrap However Jordan does not realize that nearby in the snowy streets of Gastown a real murder has taken place By the time the show is over another will die and The Agatha Principle will strike again In her fourth book featuring the Beary family Elizabeth Elwood delivers another thoroughly satisfying collection The Agatha Principle is followed by seven cleverly crafted shorter stories with a variety of settings In The Man in the Cage a child falls into deadly peril at the 2010 Winter Olympics a dramatic historical mystery dating back to the War of 1812 is featured in Tragedy at The Oaks and the book closes on a delightfully light hearted note as the Bearys visit Vancouvers Bright Nights and solve The Mystery of the Christmas Train With intriguing puzzles to challenge the reader and an engaging story of a charming heroine whose relationship with a Vancouver detective is as captivating as the cases they solve together The Agatha Principle and Other Mystery Stories is a must for lovers of classic mystery fiction

The Encyclopedia of Hollywood Film Actors Barry Monush,2003-04-01 For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen

World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos
