It's been more than twenty years since Marti Reese's sister Maggie disappeared. Only eight years old at the time, Marti can't remember what happened, just that Maggie got into a car and never returned. After years of grief and countless false leads, Marti is coping as best she can, abandoning her marriage, drinking to forget and documenting her never-ending search via a true crime podcast. But when the podcast becomes an unexpected hit and Marti thinks she's finally ready to put it all behind her, a mysterious woman calls with new information that could lead her down a dangerous path. For years, Ava Vreeland has been fighting to overturn her brother's murder conviction. After finding strange similarities between the two cases, Ava is certain there's a connection between the murder and Maggie's disappearance, one that could prove her brother's innocence. Together, Marti and Ava embark on a quest for the truth, but the more Marti digs, the more she's shaken by the answers she might find and what it is she's even searching for.
