Wanton Evelyn Adams, 2017-04-15 **Won** Evelyn Adams, 2017-04-15 **Wanton** Evelyn Adams, 2015 Luke Masters is falling in love with Claire English and he doesn't like it. The billionaire developer is far more comfortable giving screaming orgasms than tender kisses but his sassy electrical contractor wants both. With Claire knocking down the walls around his heart and someone wrecking things on his jobsite his whole world is shifting. For a man used to making things go his way he's feeling unmoored. When a trip to a private club awakens Claire's curiosity Luke is determined to bring her fantasies to life. But is it a dream come true or a way for him to retreat from the love he's afraid of and into the pleasure he knows so well. As simple sabotage escalates to possible murder Luke and Claire have no choice but to trust each other completely or risk losing everything.

Unbound Collection Evelyn Adams, 2017-02-25 What would happen if the man in your life picked up your ereader and used it as a road map to make your naughty fantasies come true. **LOVE UNBOUND** Cat loves her husband. He's a sweet tender man and a great father. Their intimate life is fine. Between kids and careers they don't have as much time as she'd like but she really can't complain. She is used to being in control at home at school but lately some of the books she's been reading make her wonder what it would be like to surrender for a change and give control to the man she loves. When Owen overhears his wife's book club he gets a shade more than he bargained on. How is a sensitive equal opportunity man supposed to dominate his strong competent wife. Owen might not be your typical alpha male but using his scientist's mind and some careful planning maybe he can turn his Cat into a kitten at least for the weekend. **BOUND TO PLEASE** Anne loves her husband. He is a strong tender man and a committed father and he knows everything about her well almost everything. After nearly twenty years together she still finds it hard to tell him what she wants. Lately some of the books she's been reading make her wonder what it would be like to be more adventurous. Matt has it on good authority that Anne's book club is reading stories that are anything but vanilla. When a friend offers him the use of Studio 1247 to make his wife's secret fantasies come true Matt has a chance to plan a weekend that will stretch both their limits and hopefully push them back into each other's arms. **BOUND WITH LOVE** When control freak Beth tries to get pregnant she finds out not everything follows her schedule. She wants a family but it may come at the expense of her marriage. Brad feels like he has one job: knock up his wife and every time he fails he feels like less of a man. He's tired of making love with a purpose but without passion. At a surprise meeting with the husbands of his wife's book club Brad finds out Beth's reading list has strayed far from vanilla. When a friend offers him the use of Studio 1247 he has a chance to help Beth surrender to her secret desires and remember that her body is made for pleasure. Hers and his.

Wired Evelyn Adams, 2014-08-28 Hot as hell billionaire Luke Masters built a life of money power and sex. He's used to making the world bend to his desires and it's been a long time since anyone told him no. When his sultry smart electrical contractor Claire English doesn't bow to his every whim it's a challenge he can't resist. Comfortable competing in a male dominated world Claire doesn't intimidate easily. But the raw power and coiled

energy of the sexy billionaire has her body resonating with a hard wired need The chemistry between them is a distraction a distraction neither of them can afford The only way to get their focus back is to let the sparks fly and surrender to the heat smoldering between them But will igniting the passion lead to an explosive desire or will the fire consume them both Won Evelyn Adams,2015 Emotionally constipated billionaire developer Luke Masters might finally be learning to love His strong sexy electrical contractor Claire English has blown down his barriers and claimed his heart Just because he s decided to give this relationship thing a try doesn t mean it s all smooth sailing Old habits die hard and Luke s had a lifetime to pick up the bad ones Claire s battled desperately to keep her heart safe from the selfish billionaire who owns her body and wants her soul but against her better judgment she s fallen in love Luke has promised her the world and more importantly his heart She s not sure whether to believe him but she s already lost It s too late to turn back now With something far more sinister than a broken heart threatening to rip them apart can they find their way back to each other and the love they re just learning to trust or will they lose everything
