America's Changing Icons Annessa Ann Babic, 2018-02-23 America's Changing Icons is a discursive examination of the female patriotic icon in the United States This creative and entertaining work examines her use and decline particularly in the 20th century with a particular focus on popular culture icons like Lady Columbia Rosie the Riveter and Wonder Woman These fictional creations used with advertisements letters and literature of the eras work together to craft a multi layered and dynamic portrait of cultural politics tides and perceptions about American women life and place

Letters of Note: War, 2020-03-31 A compilation of remarkable letters with love at their heart from the curator of the globally popular Letters of Note website The first volume in the bestselling Letters of Note series was a collection of hundreds of the world's most entertaining inspiring and unusual letters based on the seismically popular website of the same name an online museum of correspondence visited by over 70 million people From Virginia Woolf's heartbreaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower from the first recorded use of the expression OMG in a letter to Winston Churchill to Gandhi's appeal for calm to Hitler and from Iggy Pop's beautiful letter of advice to a troubled young fan to Leonardo da Vinci's remarkable job application letter Now the curator of Letters of Note Shaun Usher gives us wonderful new volumes featuring letters organized around a universal theme In this volume Shaun Usher turns to the subject of love What emotion inspires humans to put pen to paper more than love It's unsurprising that love letters provide an endless source of extraordinary writing Letters of Note Love gathers together some of the most powerful messages about love ever composed whether inspired by love's first blush or the recriminations at its ending the regrets of unrequited feelings and the joys of passions known Includes letters by Zora Neale Hurston Napoleon Bonaparte Frida Kahlo Nelson Mandela and many more

War Isn't Hell, It's Entertainment Fabian Virchow, Debra White-Stanley, 2009-02-27 Real war is a cruel theater of death yet it is also an exciting narrative exploited for national political and commercial purposes and turned into numerous films television shows computer games news stories and reenactment plays These essays examine the relationship between war visual media and entertainment from a number of academic perspectives Key topics include how war is used as an imaginary site to stage dramas how boundaries between war media and entertainment dissolve as new media alters the formal qualities of representation how entertainment is used to engage audiences and what effect products of war and entertainment have on consumers of popular culture

Honoring Our Ancestors Megan Smolenyak, 2002 Honoring our Ancestors provides 50 stories that hold one common thread the seemingly endless ways to creatively pay tribute to those who came before us One man built a Viking ship and sailed across

the Atlantic another devoted decades to collecting slavery memorabilia One family passed a diaper down through four generations while another staged a scavenger hunt that helped family members get to know their ancestral hometown Back cover

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

When Johnny and Jane Come Marching Home PAULA J. CAPLAN, 2019-06-28 Traumatized veterans are often diagnosed as suffering from a psychiatric disorder and prescribed a regimen of psychotherapy and psychiatric drugs But why asks psychologist Paula J Caplan in this impassioned book is it a mental illness to be devastated by war or other intolerable experiences such as military sexual assault What is a mentally healthy response to death destruction and moral horror In *When Johnny and Jane Come Marching Home* Caplan argues that the standard treatment of therapy and drugs is often actually harmful It adds to veterans' burdens by making them believe wrongly that they should have gotten over it it isolates them behind the closed doors of the therapist's office and it makes them rely on often harmful drugs The numbers of traumatized veterans from past and present wars who continue to suffer demonstrate the ineffectiveness of this approach Sending anguished veterans off to talk to therapists writes Caplan conveys the message that the rest of us don't want to listen or that we don't feel qualified to listen As a result the truth about war is kept under wraps Most of us remain ignorant about what war is really like and continue to allow our governments to go to war without much protest Caplan proposes an alternative that we welcome veterans back into our communities and listen to their stories one on one She provides guidelines for conducting these conversations This would begin a long overdue national discussion about the realities of war and it would start the healing process for our returning veterans

National Convention of the American Legion American Legion. Annual National Convention,2001

Politics as Usual Michael Davis,2014-10-15 The presidential election of 1944 which unfolded against the backdrop of the World War II was the first since 1864 and one of only a few in all of US history to take place while the nation was at war After a brief primary season the Republican Party settled upon New York governor Thomas E Dewey the former district attorney and popular special prosecutor of Legs Diamond and Lucky Luciano as its nominee for president of the United States The Democratic nominee for president meanwhile was the three term incumbent sixty two year old Franklin Delano Roosevelt Sensitive to the wartime setting of the election both Roosevelt and Dewey briefly adopted dignified and low key electoral strategies early in their campaigns Within a few months however politics as usual returned as the campaign degenerated into a vigorously fought chaotic unpredictable and highly competitive contest While Politics as Usual is a comprehensive study of the campaign Davis focuses attention on the loser Dewey and shows how he emerged as a central figure for the Republican Party Davis examines the political landscape in the United States in the early 1940s including the state of the two parties and the rhetoric and strategies employed by both the Dewey and Roosevelt campaigns He details the survival of partisanship in World War II America and the often overlooked role of Dewey who sought to rebuild the Republican Party to be worthy of national trust as party leader at such a critical time Although Dewey fell short of victory Dewey kept his party unified helped steer it away from isolationist influences and rebuilt it to fit into and to be a relevant alternative within the post World War II New Deal order

The Last Cavalryman Harvey Ferguson,2015-03-16 In this biography of Lucian K Truscott Jr author Harvey Ferguson tells the story of how Truscott despite his hardscrabble beginnings patchy education and questionable luck not only made the rank of army lieutenant general earning a reputation as one of World War II s most effective officers along the way but was also given an honorary promotion to four star general seven years after his retirement

The Aggressors Martin Scott Catino,2010-05 Who's Got Mail? Linda Barrett Osborne,2023-05-02 A fascinating history of the US Post Office for kids from acclaimed author Linda Barrett Osborne In

America one of the first things done in a new State is to have the mail come Alexis de Toqueville 1835 Who's Got Mail is an intriguing and fact filled look at how the mail has been delivered in the United States since before the Constitution was even signed In the United States the spread of the postal service went hand in hand with the spread of democracy and transportation As settlement spread west communication became even more important to let distant residents feel that they were American no part of the country was too far away no village or farm too small to have access to the post Moreover the Post Office has always been a public service it was not originally designed to make a profit or act like a business but to deliver letters medical supplies packages ordered through catalogs and all the things that Americans need at a reasonable cost Over the centuries it has also been one of the largest employers in the United States particularly as a means for African Americans and women to secure stable middle class jobs Full of eccentric characters great stories and technological achievements this fun middle grade narrative nonfiction celebrates one of our oldest and strongest institutions and is a true testament to the spirit of American democracy *The East Tennessee Veterans Memorial* John Romeiser, Jack H. McCall, 2024-01-12 At the northern edge of the World's Fair Park in Knoxville Tennessee a striking set of thirty two granite pylons stands as a monument to the tradition of military service in East Tennessee The East Tennessee Veterans Memorial explores the creation and significance of this commemorative monument providing a window into the lives and courageous actions of the more than 6 200 men and women whose names are inscribed on the sobering markers In this book author John Romeiser with the assistance of Jack McCall showcases the stories of over 300 service members and their families documented with public records obituaries and family recollections In these pages readers will find the accounts of each of East Tennessee's 14 Medal of Honor recipients along with tales of a variety of other veterans from World War I to the present people whose lives and deaths together form a microcosm of the armed forces Richly illustrated with historical photographs this ambitious undertaking delivers not only a compelling history of individual lives but also a broader sense of military history in the region and a contribution to the scholarship on the value of monuments as a means to honor the past Love Letters of the Great War Mandy Kirkby, 2014-01-16 From the private papers of a young Winston Churchill to the tender notes of an unknown Tommy in the trenches Love Letters of the Great War is a collection of profound intimate and heartfelt letters written during World War One Many of the letters collected here are eloquent declarations of love and longing others contain wrenching accounts of fear jealousy and betrayal and a number share sweet dreams of home But in all the correspondence whether from British American French German Russian Australian and Canadian troops in the height of battle or from the heartbroken wives and sweethearts left behind there lies a truly human portrait of love and war A century on from the First World War these letters offer an intimate glimpse into the hearts of men and women separated by conflict and show how love can transcend even the bleakest and most devastating of realities Edited and introduced by Mandy Kirkby with a foreword from Women's Prize winner Helen Dunmore **Hell Hath No Fury** Anna Holmes, Anne Boleyn, Cindy Chupack, Charlotte

Bronte, 2003-12-30 It's as old as time the breakup letter The kiss off The Dear John The big adios Simple in its premise stunningly perfect in its effect From Anne Boleyn to Sex and the City writer producer Cindy Chupack from women both well known and unknown imaginary and real the letters here span the centuries and the emotions providing a stirring utterly gratifying glimpse at the power wit and fury of a woman's voice In a never before published letter Ana's Nin gives her lover C L Baldwin a piece of her mind Charlotte Brontë in formal fashion refuses the marriage proposal of Henry Nussey In a previously unpublished letter Sylvia Plath writes to her childhood friend and brief lover Phillip McCurdy expressing her wish to maintain a platonic relationship And Susie Q lets Johnny Smack O know that she's onto his philandering The brilliance of the mad missives caustic communiques downhearted dispatches sweet send offs and every other sort of good bye that fills these pages will surely resonate with anyone who has ever loved lost left languished or laughed a hearty last laugh **What A Coincidence!** Susan M. Watkins, 2025-09-12 What if all those seemingly insignificant little what a coincidence moments you've experienced were actually hinting at something very personal and important about yourself and about the workings of human consciousness as a whole Would you listen Sue Watkins does For more than thirty five years Susan M Watkins a former small town newspaper reporter and the author of five books has logged coincidences as they've occurred in her life What she's discovered is that single seemingly inconsequential coincidences an old friend calling at the exact moment she pops into your head for example are often pieces of larger more complex and meaningful coincidence clusters that together create rich and revealing stories In What a Coincidence Watkins presents coincidence clusters that are truly astounding and along the way explores those two important questions What do our personal coincidence clusters reveal to us about ourselves and our lives And what do they reveal about human consciousness at large The conclusions she draws are utterly life altering You will never brush off those what a coincidence moments again
