The War Within Jerry Udoh, PhD, 2025-11-13 For generations we have been taught whether by sermons shouted from pulpits or whispered through church corridors that deliverance is a spectacle We have been conditioned to expect deliverance as something dramatic a mighty shout anointed oil splashing bodies trembling voices raised until the room shakes and the final moment when a person collapses under the weight of a power they cannot see To many deliverance is when the demons are screamed out visible public loud This portrayal while not entirely without biblical precedent think of the demoniac in the tombs dramatically freed by Jesus has often led to a skewed understanding of how true and lasting deliverance frequently occurs It has been believed that the key lies in the external spectacle in the power of a charismatic minister or a boisterous assembly But the greatest battles the ones that truly set captives free are rarely fought in public view Yet the most profound victories in the spiritual realm often unfold in the quiet unseen spaces of the mind The true war the most significant deliverance is often fought and won in the quiet recesses of the inner world when strongholds built not just by personal sin but also by the subtle currents of inherited trauma are dismantled These inner conflicts fueled by subconscious spiritual agreements and the vivid often distorted landscapes of the imagination are where the enemy seeks to establish his domain It is here in the quiet depths of the mind that the power of the Holy Spirit empowers us to take every thought captive making it obedient to Christ These are the places where strongholds deeply entrenched belief systems secret vows hidden memories and generational chains are built brick by brick through years of personal wounds and bloodline traumas Consider the story of David a man of profound faith a man after God s own heart Yet even David the giant slayer grappled with deep inner turmoil This raw honesty is revealed in the Psalms where he wrestles with fear despair and doubt His lament in Psalm 42 5 Why are you downcast O my soul Why this unease within me Put your hope in God reveals a deliberate engagement with his own thoughts and feelings an internal dialogue seeking to align his soul with the truth of God s promises This wasn t a public spectacle but a private struggle in the quiet of his heart and mind David in his wrestling was taking his thoughts captive casting down the imagination of despair and choosing to believe in God s faithfulness Consider the story of a young woman named Leah Raised in a home where harsh words and constant criticism were common Leah developed a deep fear of judgment and a sense of worthlessness This personal trauma became a stronghold in her mind a fortress of fear and self condemnation Although she accepted Christ and understood God s love she found it hard to truly accept His grace Whenever a challenging situation arose the old tapes of her childhood would replay whispering lies about her inadequacy This inner conflict between God s truth and the ingrained lies

of her past held her captive hindering her ability to step out in faith and embrace her calling It wasn't a visible demon holding her back but a deeply entrenched stronghold of the mind built on personal trauma Battling Addiction, Bondage and Temptation Darrian T. Cobb, 2020-12-03 In Darrian Cobb's book Battling Addiction Bondage and Temptation The War Between The Flesh and The Spirit are the practical ways to beat any type of addiction and bondage that you may be struggling with Whether it be to a substance a habit an activity unwanted thoughts anxiety depression fear or failure Darrian wants to inform his readers that no matter what they may be going through that God loves them sees them and has a purpose for them It is Darrian's heart and passion to use his testimony to point other people to Jesus In this book throughout majority of the chapters Darrian includes his own personal struggles to make the reader comfortable and to ensure that the reader is not alone in their feelings or struggles To get the most out of this book you should set aside some time each day to focus on the God who loves you and cares for you Do not put your focus on your current struggle what you have been doing or what you're currently even addicted to Instead focus on your freedom that you will obtain if you read this book and apply it to your life the new habits hobbies that you will pick up on the way and your testimony after you do come out of this victorious Everybody has a story and a unique purpose in this world even when things do not look or seem right Are you ready to go on the path I hope and I pray that you hear the voice of God and feel the Spirit of God through my testimony and the words that are in this book If you are reading this it is no coincidence You were meant to have this book in your hands or on your coffee table God has made you for a purpose and you are not an accident nor too far gone I pray this book ministers to your heart and points you to Jesus I am praying for you Darrian Cobb The Rainbow Covenant Richard Hoffman, 2020-06-18 All of God's physical Creation reflects a higher spiritual Reality In that Creation light is synonymous with Truth or God who is the source of Truth It should surprise no one that when you unwrap light to find the Rainbow the Rainbow gives a detailed account of what God is all about He is about loving and saving mankind by wooing them into the Rainbow Covenant of Marriage From the red blood sacrifice of the Gospel Truth of Jesus to the purple royalty of the Holy Spirit God's constant and repeated message is that there is only one way to attain the purple royalty that is God's That way is through faith in the red blood sacrifice of Jesus as the propitiation for our sins He is the only gate or door into the Rainbow Covenant We are all spiritual Cinderella's enslaved to the 3 evil stepsisters of the world the flesh and the Devil But the Prince can raise us up out of the ashes and into the beauty of a royal mansion There is another option however We can reject God's suit and pursue a life of self will We know that marriage means the death of self will This book describes the Dark Path of Separation from God that is the shadow opposite of the Rainbow Covenant of Marriage Cain was the first to tread this path to its bitter end which for mankind in this Age of Engagement is incontrovertible sentencing or engagement to separation from God in the Lake of Fire But it is God's will that all be saved There's more than enough room in the lifeboat that I choose to call The Rainbow Covenant *The Fall of the God of Money* Keith McMahon, 2002 In this first truly cross cultural study of opium Keith

McMahon considers the perspectives of both smokers and non smokers from China and the Euro West and from both sides of the issue of opium prohibition The author stages a dramatic confrontation between the Chinese opium user and the Euro Westerner who saw in opium the image of an uncanny Asiatic menace The rise of the opium demon meant the fall of the god of money that is Chinese money and the irreversible trend in which Confucianism gave way to Christianity The book explores early Western observations of opium smoking the formation of arguments for and against the legalization of opium the portrayals of opium smoking in Chinese poetry and prose and scenes of opium smoking interactions among male and female smokers and smokers of all social levels in 19th century China Visit our website for sample chapters **Stop Trying to Fix**

Policing Tony Gaskew,2020-12-16 In Stop Trying to Fix Policing Lessons Learned from the Front Lines of Black Liberation Tony Gaskew guides readers through the phenomena of police abolition using the cultural lens of the Black radical tradition The author weaves an electrifying combination of critical race theory spiritual inheritance decolonization self determination and armed resistance into a critical autoethnographic journey that illuminates the rituals of revolution required for dismantling the institution of American policing Stop Trying to Fix Policing is an essential work for anyone who wants to go beyond the rhetoric of police reform to the next step contributing to the formation of a world without policing Winning the War Through Prayer C. Fred Dickason Th. D.,2016-10-25 No more general routine and unfocused praying This book lays the foundation for engaging in spiritual warfare by effective pointed biblically based prayer Part I presents in the first chapter a solid theological foundation treating worldview the reality of the spirit world and our resources The next chapters show the place of prayer in warfare and delineate some strategies tactics and cautions Part II suggests some pattern warfare prayers for personal church and world needs Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church For those who have already experienced the power of demonic forces and the triumph of Christ this book will give them more practical knowledge of how to confront the enemy For those who have ignored the biblical teaching about our invisible war such readers will be jolted in to reality Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us Dr Erwin Lutzer In my evaluation this book is the best presentation of biblical warfare praying that has been written God has use Fred to write an articulate doctrinally sound biblical call to warfare praying that exceeds anything yet written an academic and biblical study a very useable and much needed document Dr Mark I Bubeck **ARROGANT GOD OF PILLS CHAPTER 49** Dam Vien Tich
