Warm And Snug The History Of The Bed:

Warm & Snug Lawrence Wright, 2004 Warm and Snug Lawrence WRIGHT, 1972 **Warm and Snug. The History of the Bed. [With Illustrations and a Bibliography.]** Lawrence Wright (A.R.I.B.A.), 1962 **The Working Class at Home, 1790-1940** Joseph Harley, Vicky Holmes, Laika Nevalainen, 2022-02-17 This book examines life in the homes inhabited by the working class over the long nineteenth century These working class homes are often imagined as distinctly unhomely spaces which the inhabitants struggled to fill with even the most basic of furniture let alone acquire the comforts associated with middle class domestic space The concerned reformers of industrialising towns and cities painted a picture of severe deprivation of rooms that were both cramped yet bare at the same time and disease ridden spaces from which their subjects required rescue It is an image which is not only inadequate but which also robs working class people of their agency in creating domestic spaces which allowed for the expression of personal and familial feeling Bringing together emerging scholars who challenge these ideas and using a range of innovative sources and approaches this edited collection presents a new understanding of working class homes *Beds and Chambers in Late Medieval England* Hollie L. S. Morgan, 2017 First full length interdisciplinary study of the effect of these everyday surroundings on literature culture and the collective consciousness of the late middle ages The bed and the chamber which contained it was something of a cultural and social phenomenon in late medieval England Their introduction into some aristocratic and bourgeois households captured the imagination of late medieval English society The bed and chamber stood for much more than simply a place to rest one's head they were symbols of authority unparalleled spaces of intimacy sanctuaries both for the powerless and the powerful This change in physical domestic space shaped the ways in which people thought about less tangible concepts such as gender politics communication God sex and emotions Furthermore the practical uses of beds and chambers shaped and were shaped by artistic and literary production This volume offers the first interdisciplinary study of the cultural meanings of beds and chambers in late medieval England It draws on a vast array of literary pragmatic and visual sources including romances saints lives lyrics plays wills probate inventories letters church and civil court documents manuscript illumination and physical objects to shed new light on the ways in which beds and chambers functioned as both physical and conceptual spaces Hollie L S Morgan is a Research Fellow in the School of History and Heritage University of Lincoln *Pests in the City* Dawn Day Biehler, 2013-11-01 From tenements to alleyways to latrines twentieth century American cities created spaces where pests flourished and people struggled for healthy living conditions In *Pests in the City* Dawn Day Biehler argues that the urban ecologies that supported pests were shaped not only by the physical features of cities but also by social inequalities housing policies and ideas about domestic space Community activists and social reformers strived to control pests in cities such as Washington DC Chicago Baltimore New York and Milwaukee but such efforts fell short when authorities blamed families and neighborhood culture for infestations rather than attacking racial segregation or urban disinvestment Pest

control campaigns tended to target public or private spaces but pests and pesticides moved readily across the porous boundaries between homes and neighborhoods This story of flies bedbugs cockroaches and rats reveals that such creatures thrived on lax code enforcement and the marginalization of the poor immigrants and people of color As Biehler shows urban pests have remained a persistent problem at the intersection of public health politics and environmental justice even amid promises of modernity and sustainability in American cities Watch the trailer <http://www.youtube.com/watch?v=GG9PFxLY7K4> feature c4 overview list [UUge4MONgLFncQ1w1C_BnHcw](http://www.youtube.com/watch?v=GG9PFxLY7K4)
