

"Dr. Glasser is a pioneer in every sense of the word. This is his most powerful contribution. We are being bombarded by the drug companies to put drugs into our brains to cure any and all difficulties. Dr. Glasser offers us a sensible preferred alternative to being drugged as our way of coping with life."

—Wayne W. Dyer

Jon Carlson, Michael P. Maniacci

Warning Psychiatry Can Be Hazardous To Your Mental Health:

Warning: Psychiatry Can Be Hazardous to Your Mental Health William Glasser, M.D., 2010-11-16 How psychopharmacology has usurped the role of psychotherapy in our society to the great detriment of the patients involved William Glasser describes in Warning Psychiatry Can Be Hazardous to Your Mental Health the sea change that has taken place in the treatment of mental health in the last few years Millions of patients are now routinely being given prescriptions for a wide range of drugs including Ritalin Prozac Zoloft and related drugs which can be harmful to the brain A previous generation of patients would have had a course of psychotherapy without brain damaging chemicals Glasser explains the wide implications of this radical change in treatment and what can be done to counter it Destructive Trends in Mental Health Rogers H. Wright, Nicholas A. Cummings, 2013-01-22 This book takes as its inspiration the assumption that the atmosphere of intellectual openness scientific inquiry aspiration towards diversity and freedom from political pressure that once flourished in the American Psychological Association has been eclipsed by an ultra liberal agenda in which voices of dissent controversial points of view and minority groups are intimidated ridiculed and censored Chapters written by established and revered practitioners explore these important issues within the contexts of social change the ways in which mental health services providers view themselves and their products and various economic factors that have affected healthcare cost structure and delivery In short this book is intended to help consumers practitioners and policy makers to become better educated about a variety of recent issues and trends that have significantly changed the mental health fields

Contemporary Issues in Couples Counseling Patricia A. Robey, Robert E. Wubbolding, Jon Carlson, 2012 Contemporary Issues in Couples Counseling explores the most difficult issues that people in the helping professions face when treating couples and provides concrete solutions for addressing them effectively Using the revolutionary choice theory and reality therapy approaches to couples counseling the book shows clinicians how to combine a relationship based approach with the pragmatism of cognitive behavior therapies Both experienced and beginning clinicians will find Contemporary Issues in Couples Counseling ideal for helping clients focus on the here and now not the past and for creating treatment plans that meet clients individual needs while also addressing the needs of their partners Critiquing the Psychiatric Model Eric Maisel, Chuck Ruby, 2023-11-25 Critiquing the Psychiatric Model is the first Volume of the Ethics International Press Critical Psychology and Critical Psychiatry Series Understanding the current systems of psychology and psychiatry is profoundly important So is exploring alternatives The Critical Psychology and Critical Psychiatry Series presents solicited chapters from international experts on a wide variety of underexplored subjects This is a series for mental health researchers teachers and practitioners for parents and interested lay readers and for anyone trying to make sense of anxiety depression and other emotional difficulties Critiquing the Psychiatric Model sets out to present a clear picture of the current mental disorder paradigm one that claims an ability to diagnose and treat mental disorders and that provides medication as its primary
