And Warnings Of Jesus To His Church Albert Heaney,2018-09-25 Given that Jesus has issued a warning that in the end times the church will be infiltrated with false prophets that will mislead many and given that the book of Revelation was given to reveal future events in the end times and given that various interpretations of prophesies in the book are given by present day biblical scholars this book attempts to clarify an understanding of the revelations provided in the book by closely adhering to the messages given and avoiding giving interpretations that are not explicitly provided in scripture It is important that the church becomes aware of the messages God has given to the church of our day so that it can be prepared to face the future and be ready to endure to the end The author believes that the book of Revelation was not given as a puzzle to be decoded by scholars but rather as a series of messages that can be understood by ordinary people so as to open their eyes as to all that God has prepared for those who love Him **Reading the Book of Revelation** Alexander

Stewart,2021-12-01 How to read Revelation rightly Let s face it the book of Revelation is difficult to read Many neglect it leaving it to the experts or the obsessed Others fixate on the details focusing on current events but missing Christ in the process But Revelation promises a blessing on all who read it Why is it so hard to understand In Reading the Book of Revelation Alexander E Stewart offers five simple keys that unlock this difficult book He then illustrates their profit in explaining Revelation chapter by chapter and provides recommendations for further study With this short and accessible guide readers will see how Revelation is approachable applicable to their lives and glorifying to Christ
