Sua Sponte Dick Couch, 2013-07-02 Sua Sponte Latin for Of Their Own Accord The 75th Ranger Regiment's Motto Army Rangers are not born They are made The modern 75th Ranger Regiment represents the culmination of 250 years of American soldiering As a fighting force with our nation's oldest and deepest tradition the Regiment traces its origins to Richard Rogers's Rangers during the prerevolutionary French and Indian War through the likes of Francis Marion and John Mosby to the five active Ranger battalions of the Second World War and finally to the four

battalions of the current Ranger regiment engaged in modern combat Granted unprecedented access to the training of this highly restricted component of America s Special Operations Forces in a time of war retired Navy captain Dick Couch tells the personal story of the young men who begin this difficult and dangerous journey to become Rangers Many will try but only a select few will survive to serve in the 75th Ranger Regiment Sua Sponte follows a group of these aspiring young warriors through the crucible that is Ranger training and their preparation for direct action missions in Afghanistan against America s enemies anywhere any time and under any conditions INCLUDES PHOTOGRAPHS Borderline Vincent Vargas,2023-11-14 An inside look at the U S Mexico border through the eyes of former U S Border Patrol agent Vincent Vargas who served in Iraq and Afghanistan with the U S Army s 75th Ranger Regiment Featuring a Foreword by 1 New York Times bestselling author Jocko Willink The U S Mexico border stretches nearly two thousand miles and is protected by a thin line of overworked and underfunded U S Border Patrol Agents who risk their lives every day They are stigmatized in the media and fought over in the halls of Washington D C and Borderline shares their story the truth of what is really happening on the U S Mexico border The story begins on the battlefields of the Middle East and culminates on the southwest border of the United States where Vargas was tasked with protecting his country his fellow agents and the immigrants caught in the middle He learned firsthand about the unforgiving brutality of the cartels human traffickers and the desert After bearing witness to the carnage Vargas made the decision to join the Border Patrol s elite search and rescue unit called BORSTAR With almost unfettered access Vargas provides an in depth never before seen look into the U S Border Patrol from the agency s origins to its present day missions **Spartan Social Model** James Carter,AI,2025-05-05 Spartan Social Model examines the unique social structure of ancient Sparta revealing how militarization communal living and rigid hierarchies fostered social cohesion and military dominance The book argues that Sparta s social model though seemingly restrictive was a functional adaptation to constant threats like Helot uprisings Interestingly the rigorous training program known as the agoge shaped Spartan boys into formidable warriors while communal mess halls syssitia reinforced social bonds and suppressed individual wealth The book methodically progresses first establishing Sparta s historical context before diving into the key themes of militarization communal living and hierarchy Drawing upon historical records like the Great Rhetra and archaeological findings it connects Sparta s social model to broader concepts in political science and sociology This approach offers a fresh perspective by considering the interconnectedness of Sparta s social economic and political institutions challenging traditional views and providing a nuanced understanding of this influential ancient society
