Firearms have been studied by imperial historians mainly as means of human destruction and material production. Yet firearms have always been invested with a whole array of additional social and symbolical meanings. By placing these meanings at the centre of analysis, the essays presented in this volume extend the study of the gun beyond the confines of military history and the examination of its impact on specific colonial encounters. By bringing cultural perspectives to bear on this most pervasive of technological artefacts, the contributors explore the densely interwoven relationships between firearms and broad processes of social change. In so doing, they contribute to a fuller understanding of some of the most significant consequences of British and American imperial expansions. Not the least original feature of the book is its global frame of reference. Bringing together historians of different periods and regions, **A Cultural History of Firearms in the Age of Empire** overcomes traditional compartmentalisations of historical knowledge and encourages the drawing of novel and illuminating comparisons across time and space. **Coyote Warrior** Paul Van Develder, 2025-05-01

Nothing could be further from Amaury de Vries' expectations than joining his half brother's company of mercenaries in the wilds of Scotland. A knight and a champion at the joust, he expected to inherit a holding until the man he has known as his father revealed a terrible truth and disavowed him. Left with nothing, Amaury rides to Kilderrick where he loses his heart to a beautiful noblewoman in the forest. A practical man, he knows he has no right to court the lady, but when she is abducted, Amaury follows, determined to fulfill his knightly duty by aiding a damsel in distress. Elizabeth d'Acron has been a pawn and a prize pursued for her father's wealthy holding and wants only to be desired for herself. Seized again, she vows she will surrender to no man, even the handsome knight who comes to her rescue. And truly, there could be no one more vexing than this confident yet inscrutable man, so concerned with duty that he could be wrought of stone. But Elizabeth soon learns that she can trust Amaury to defend her at any cost. She does not expect the seductive fire awakened by his touch, much less his conquest of her wary heart, but has she fallen in love with a man whose affections are already claimed? Snared between duty and passion, Amaury finds himself beguiled by the lady who challenges his every expectation but knows he has little to offer her. But when Elizabeth is threatened by a former suitor who will not be refused, Amaury risks his all in her defense, hoping it will be enough. But can he intervene in time? And will love alone convince Elizabeth to place her hand in his for all time? **The Warrior's Prize** Claire Delacroix, 2014-12-12

The maiden was just another treasure to be won until she stole his heart and changed his

life forever Outraged that her beloved brother's soul is to be the Fae tithe to Hell Elizabeth knows that she must save him She is the only one in her family who can see the Fae after all and is already cursed by their king herself Malcolm may have offered to replace his comrade out of honor but Elizabeth knows who better deserves to live and it is not the handsome rogue Rafael who is concerned with his own welfare alone It should be easy to make a wager with a mercenary especially as Elizabeth does not care about the cost to herself To her surprise though Rafael proves to be the man who not only takes her dare but banishes the Fae king's curse with kisses that turn her blood to fire Could this hardened warrior who appears to have no heart be the destined love she has awaited At first glimpse Rafael believes Elizabeth to be an angel sent to judge him and he knows what her verdict will be He has made choices in order to survive and is not proud of them But Elizabeth dares him to change with an audacity that awakens a nobility of purpose that Rafael has forgotten he possessed Can this bold maiden heal the wounds of his past Can Rafael earn the right to grant her the life she deserves and do so before the Fae king springs his trap making Elizabeth his captive forever I've written many series set in my fictional medieval Scottish world of Ravensmuir Kinfairlie and Inverfyre This is the order in which the stories take place although you can start with any series I recommend you read each series in order There's a tab on my website for ALL books in this world <http://delacroix.net>

ravensmuir I The Rogues of Ravensmuir This is the first series to take place in this world These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series 1 The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense Their relationship is a class war he's the laird and she's a village girl but there's an immediate attraction between them Can Merlyn trust in love at first sight Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help This is the first book featuring Ravensmuir and in it we learn the story of its sister holding Kinfairlie 2 The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love In this story Gawain meets his match the enticing Eglantine who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires This is cat and mouse story of action adventure and intrigue takes us from York to the highlands of Scotland to Eglantine's home at Inverfyre 3 The Warrior At the end of The Scoundrel Inverfyre is lost to the notorious MacLaren clan but years later Eglantine and Gawain's son Michael the Hawk of Inverfyre returns to reclaim his legacy He has need of an heir so he abducts Aileen to be his bride never guessing that these two have shared a great passion in their past lives At Inverfyre Aileen is plagued by visions and fears she is going mad while the Hawk is uncertain whether his beguiling new bride can be trusted or whether she has let the MacLarens in the gate This medieval Scottish romance has some fantasy elements as it's a reincarnation story II The Jewels of Kinfairlie At the end of The Warrior there is a family gathering at Inverfyre We briefly meet Merlyn and Ysabella's son Roland his wife Catherine and their eight children This series begins several years later after Roland and Catherine's tragic death when their oldest son Alexander suddenly becomes laird The treasury is empty The harvest will be poor Alexander needs to see his sisters married

Of Warriors, Lovers and Prophets Max du Preez, 2010-11-05 South African history will never be the same again Shunning the predictable Max du Preez has put on his investigative journalist's cap and examined our past from a fresh perspective The result is a collection of extraordinary and mostly unknown stories all meticulously researched and written in an engaging and lively style Instead of regurgitating the story of Jan van Riebeeck's arrival at the Cape he tells the tales of a Portuguese viscount killed on a Cape beach in 1510 of the Khoikhoi chief who was kidnapped and taken to England in 1610 and of the saucy goings on between slave women and their European settler lovers There's the story of King Moshoeshoe's remarkable conduct when cannibals ate his beloved grandfather and Shaka's sexuality is explored via his relationship with his mother and the woman who loved him without ever touching him Sidestepping the old clichés about the Anglo Boer War Du Preez recounts the story of an Afrikaner broedertwis General Christiaan de Wet and his brother Piet who joined the British forces and fought his own people The reader is taken through every stage of our history up to the story of apartheid South Africa's nuclear bombs and the secret dealings and intrigue during the negotiations leading up to the 1994 elections This is South African history as you've never seen it before a colourful mosaic of our rich heritage
