thorough and witty book law professor Jay Wexler invites policy makers to responsibly embrace the enormous benefits of cannabis including the joy and euphoria it brings to those who use it The grudging tolerance approach has led to restrictions that are too strict in some cases limiting how and where cannabis can be used cultivated marketed and sold and far too loose in others allowing employers and police to discriminate against users This book shows how focusing on joy and community can lead us to an equitable marijuana policy in which minority communities most harmed by the war on drugs play a leading role in the industry Centering pleasure and fun as legitimate policy goals Weed Rules puts forth specific policies to advocate for a more just sensible and joyous post legalization society **Public Health Law and Ethics** Lawrence O.
