

WATERMELON

I love eating watermelon.

Can I have one?

It is so healthy,

Even so sweet.

Just be careful, do not eat seeds.

It is red and has black seeds.

Walking in My Shoes Jean Marlette Swanagan, 2022-02-23 Vibrant Short Stories and Poetic Melodies Beautifully written that mirrors the Triumphant Love and the Struggles of life from the drawing on the cover that inspired it This is my voice and my story My book is about body mind and soul to take along your life journey and maybe you can relate to some of my experiences I have been through or know someone who has

Reader Response in Elementary Classrooms Nicholas J. Karolides, 2020-03-09 Reading is a quest Likened to an adventure both metaphoric and real the quest is a journey of discovery The reader's search encompasses the sensations of the experience itself accompanying emotions sense and meaning engendered by the experience and understandings of the self others and the world around Out of curiosity readers also search for an extensive array of information The journey can be envisioned and contemplated again and again after the reading act itself is completed In a meaningful way the reader's quest and its discoveries are life enduring and life fulfilling The purpose of this volume is two fold to establish and explore the essential features of reader response theory and its rendering of the reading process and to acknowledge a philosophy of teaching and to illustrate teaching strategies to evoke and enhance readers responses Understanding the ways in which the reader affects the reading and how the reading happens will illuminate classroom pedagogy This text establishes and explores the essential features of reader response theory and its rendering of the reading process The essays acknowledge a philosophy of teaching and illustrate a spectrum of teaching strategies to evoke and enhance readers responses including whole and small group discussion story drama readers theatre journal writing scripts letters stories and other writings and body punctuation A case study format is used to illustrate these strategies in action in real classrooms

Poets and the Fools Who Love Them Richard Katrovas, 2022-02-16 Poets and the Fools Who Love Them blends autobiography with cultural commentary and meditates on creative writing as a cottage industry within humanities higher education Celebrated poet and memoirist Richard Katrovas

examines his picaresque early years with a criminal father a beleaguered mother and four siblings as state and federal authorities pursued the family across the highways of America His freewheeling wide ranging essays consider among other social constructs the relation of crime and art and the relation of both to the authority of the state particularly in terms of race and class Katrovas speaks candidly about how white privilege facilitated his father s criminal career as a lifestyle of larceny and used car scams perpetuated state to state would have surely had different implications for a family of color Drawing on his adulthood in academe Katrovas s memoir in essays chronicles a quest to locate surrogate fathers among older poets and other creative writers and reflects upon the ways in which that search has affected his role as the father to three Czech American daughters The book flows from the love of a poet for other poets for the community of poets one likened to a gang of priests and a herd of bears Katrovas maintains that most lovers of poets are themselves poets and those lovers of poets who are not themselves poets are saints At its heart Poets and the Fools Who Love Them contemplates with care and unabashed honesty the role of art and the artist in the madcap twenty first century Watermelon Seeds David Thomasson,2011-04

ACKNOWLEDGEMENT John Igo of San Antonio College was a noted poet he published 12 books on poetry was an Emmy Award winner had a San Antonio Library Branch named after him has been called a literary treasure of San Antonio College and often read my poetry In those days we both taught at San Antonio College He taught English and I taught Economics His office was on the 5th floor of the Moody Learning Center and mine was on the 7th As soon as I finished a poem if I felt it was worthy of him I would run down the stairwell two floors and let him read it In general he said the style of my poetry reminded him of Emily Dickinson I was so astonished by the comment that I never asked him to explain If you find a little of Emily in my poetry and I certainly hope you do remember John Igo discovered it first No matter what you meant John thank you thank you so much *Celebrating the National Reading Initiative* Janet McWilliams,California. State Department of Education,1989 Intended to challenge readers of all ages to celebrate the wonder of words arranged on the printed page this book contains descriptions of activities that have been highly successful in drawing children into literacy and keeping them there The 64 activities presented in the book can be performed in the home at school in the library around town and through the experience of reading around the world The impetus for the development of this book was the proclamation of 1987 as the Year of the Reader Appendixes include sample material for many of the activities An annotated list of readings is provided RS **Children's Catalog** Anne Price,Juliette Yaakov,1996 *Bulletin of the Center for Children's Books* ,1996-03 **Escape from the Iris Village** J.C.R. Forehand,2008-12-10 This work is broken into my life phases The first is my very early life in Chillicothe Texas through high school in Colorado City Texas The second includes my time in the U S Marine Corps when I met my wife Sally The third is a period at Texas A M University while Sally and I were raising a family The fourth and last phase covers more recent adventures I did not start writing poetry until after Jack Turner s funeral in Phoenix Arizona so all of the poems are memories of events and times These Poems Need Homes - Whose
