The Irish in the Resistance Clodagh Finn, John Morgan, 2024-08-29 You simply couldn t stand by with your arms folded These were the words of Samuel Beckett who famously returned to France from a holiday in Ireland when World War II broke out His clandestine work against the Nazi occupation of Europe is well documented but there were many other ordinary Irish people who joined the underground network Some took up arms Others gathered intelligence sheltered fugitives committed acts of sabotage or

broke codes This new history tells the stories of those forgotten Irish men and women Discover Captain John Keany from Cork who parachuted into occupied Italy to help the local Resistance Margaret Kelly the Dublin founder of the world famous Bluebell Girls cabaret troupe in Paris who hid her Jewish husband and Catherine Crean the Irish governess born on Moore Street Dublin who was sent to a concentration camp for helping Allied airmen in Belgium These and many more stories span the course of World War II and remind us of the power of individuals to make a difference An eye opening account of how ordinary people caught up in extraordinary situations helped to fight the Nazis David McCullagh A truly important and groundbreaking book Mary Kenny *In Haig's Shadow* Gary Sheffield,2019-12-27 This collection of correspondence and newly discovered family papers is a good read for anyone interested in WWI or the British Army The NYMAS Review Hugo De Pree was the nephew of the better known Field Marshal Sir Douglas Haig However De Pree had a distinguished military career in his own right He served in the Boer War He was sent to the Western Front as Chief of Staff of IV Corps and played a key part in planning the Battle of Cambrai in 1917 In 1918 De Pree was appointed to command 189 Brigade in 63rd Royal Naval Division His part in the March Retreat showed that he was not a chateau general In August 1918 he took the morally courageous decision to cancel his Brigade s attack fearing heavy losses for little gain He was sacked but after appealing was appointed to command a brigade of 38th Welsh Division which he commanded with distinction in the last weeks of the war Afterward De Pree rose to Major General and was the Commandant at RMA Woolwich His son John was killed in 1942 when attempting to escape from a POW camp in Germany a story told in this book by one of the leading academics in the field which combines De Pree and Haig family papers with incisive commentary to give a multi faceted insight into both an important but obscure senior officer of the First World War and his hugely famous uncle *Operation Swallow* Mark Felton,2019-10-15 The true and heroic story of American POWs daring escape from a Nazi concentration camp In this little known story from World War II a group of American POW camp leaders risk everything to save hundreds of fellow servicemen from a diabolical Nazi concentration camp Their story begins in the dark forests of the Ardennes during Christmas 1944 and ends at the Buchenwald Concentration Camp in the spring of 1945 This appalling chapter of US military history and uplifting Holocaust story deserves to be widely known and understood Operation Swallow provides a historical first person perspective of how American GIs stood up against their evil SS captors who were forcing them to work as slave laborers A young GI is thrust into a leadership position and leads his fellow servicemen on a daring escape It is a story filled with courage sacrifice torture despair and salvation A compelling narrative driven nonfiction book has not been written that takes the reader deep into the dark story of Operation Swallow and Berga Concentration Camp until now Written from personal testimonies and official documents Operation Swallow is a tale replete with high adventure compelling characters human drama tragedy and eventual salvation from the pen of a master of the modern military narrative **Code Name Lily** Julien Ayotte, **Naval History** ,2016 **The Greatest War Films of All Time** Andrew J.
