Narrative of Sojourner Truth Sojourner Truth, 2005 At a time when most black women were slaves or servants and even white women were expected to sit quietly in the corner Sojourner Truth transformed herself from a runaway slave to a well known campaigner for abolition and women's rights Born a slave in New York State around 1797 and given the name Isabella by her owner she had already fled to freedom when New York's 1827 anti slavery law officially emancipated her Deeply religious she adopted the name Sojourner Truth and became a traveling lay preacher and lecturer Though she was illiterate her extraordinary speaking skills electrified audiences and brought her widespread fame Sojourner Truth dictated her *Narrative* to fellow feminist and abolitionist Olive Gilbert First published in 1850 it reveals the striking differences between slavery in the North and in the South For example while hideous conditions could be found in either region Northern slaves were much more isolated from other African Americans and therefore more psychologically dependent upon their masters An essential document of American history *Narrative of Sojourner Truth* swirls with the fiery insights of this complex accomplished and magnetic woman a preacher and a suffragist and one of our most consummately human figures Publisher's description

Books in Print, 1962 *The Secret Agent* Joseph Conrad, 2007-03 Set in early twentieth century London and inspired by an actual attempt to blow up the Greenwich Observatory *The Secret Agent* is a complex exploration of motivation and morality The title character Adolf Verloc is obviously no James Bond In fact he and his circle of misfit saboteurs are not spies but terrorists driven less by political ideals than by their unruly emotions and irrational hatreds Verloc has settled into an apparent marriage of convenience

Family life gives him a respectable cover while his wife hopes to get help in handling her halfwit brother Stevie Instead Verloc involves Stevie in one of his explosive schemes an act that leads to violence murder and revenge Darkly comic the novel is also obliquely autobiographical Joseph Conrad s parents were involved in the radical politics of their time and their early deaths left him profoundly distrustful of any sort of political action Steven Marcus is Professor of English and Comparative Literature and George Delacorte Professor in the Humanities at Columbia University and a specialist in nineteenth century literature and culture He is the author of more than 200 publications Paradise Lost John Milton,2004 Paradise Lost is the greatest epic poem in English literature and Milton s Satan one of its most compelling figures The controversy has been exceeded only by its tremendous influence countless masters of English verse have paid homage to Milton and Paradise Lost A profound meditation on the role of man under God Paradise Lost is essential reading *The Publishers' Trade List Annual* ,1976
