Юрий Колomieš, Aleksey Solov'ev, 1994 Now that the former Soviet Union is open to Western walkers and climbers many are taking the opportunity to visit the fabled Caucasus the highest mountains in Europe British climbers knew the area a century ago and unlike the Alps the changes have been minimal 62 walks are described Some need simple climbing skills but most are straightforward In addition two routes are described to the tops of Elbruz the highest mountain in Europe This is the first modern book of its kind by Russian authors There are some very easy routes across the Main Range following good wide paths but the fact is that the central part from the Klukhor to Mamison'sky passes cannot offer such a boon It does not mean you have to climb to get over the Range but you should not expect a comfortable path up to the saddle and you have to be ready for scree grass and snow slopes Not a big hardship considering the reward in calm and seclusion so rare nowadays

Walking in the High Tatras (Slovakia and Poland) Colin Saunders, Renáta Nárožná, 1994 The High Tatras is a range of granite and gneiss mountains between Poland and Slovakia 500 rocky summits 100 of which exceed 2000m in height Gerlach 2655m The ridges are narrow and full of gendarmes and look formidable yet as you draw closer you discern the valleys which separate the peaks and realise there are ways through A network of waymarked paths connects peaks lakes and mountain huts Many are simple walks but some are exposed via ferrata type scrambles With the collapse of the Eastern Bloc access is now a simple matter and is fully described in the book as are all major centres on both sides of the border and a comprehensive selection from the easiest to the hardest Despite its title the book also includes the slate peaks of Western Tatras and limestone peaks of the White Tatras as well as the High Tatras **Walks and Climbs in the Pyrenees** Kev

Reynolds,1993 *A Welsh Coast to Coast Walk* John Gillham,1996 Wales mountains with their intricate network of valleys and passes provide the walker with ideal terrain for a coast to coast walk The routes in this guide from Snowdonia to the Gower Peninsular are designed for experienced walkers looking for new routes rather than following the marked ways
