

Walking To Guantanamo

Michelle Rivera-Clonch

Walking To Guantanamo:

Walking to Guantánamo Richard Fleming, 2008 First time author Fleming pens a compelling and entertaining account of his walk across Cuba Truth be told he didn't walk from Pinar del Río to Guantanamo as he had envisioned but occasionally biked on the famous Chinese made Flying Pigeon or caught rides both motorized and animal powered He chronicles his travels in Cuba from several years ago around the time of the Elian Gonzalez incident given the state of the Cuban economy the lives of average Cubans have probably not changed drastically In addition to documenting his interactions with locals some revolutionary some not Fleming an avid birder includes lots of information on Cuban ornithology He discusses the practice of Santería Palo Monte and Vodou and includes detailed descriptions of Cuban music another of his delights He focuses his wry modest prose on the country not himself as a traveler He is brutally honest even when it shows him in an unflattering light This is perhaps the most accurate and readable work on Cuba this reviewer has seen Lee Arnold Historical Society of Pennsylvania Philadelphia Copyright 2008 Reed Business Information **The Guantanamo Effect** Laurel Emile Fletcher, Eric Stover, 2009-09-01 This book based on a two year study of former prisoners of the U S government's detention facility at Guantánamo Bay Cuba reveals in graphic detail the cumulative effect of the Bush administration's war on terror Scrupulously researched and devoid of rhetoric the book deepens the story of post 9/11 America and the nation's descent into the netherworld of prisoner abuse Researchers interviewed more than sixty former Guantánamo detainees in nine countries as well as key government officials military experts former guards interrogators lawyers for detainees and other camp personnel We hear directly from former detainees as they describe the events surrounding their capture their years of incarceration and the myriad difficulties preventing many from resuming a normal life upon returning home Prepared jointly by researchers with the Human Rights Center University of California Berkeley and the International Human Rights Law Clinic University of California Berkeley School of Law in partnership with the Center for Constitutional Rights The Guantánamo Effect contributes significantly to the debate surrounding the U S's commitment to international law during war time

Our Woman in Havana Sarah Rainsford, 2018-09-06 Graham Greene saw the Castros rise Sarah Rainsford watched them leave From the street where Wormold the hapless hero of Greene's *Our Man in Havana* plied his trade BBC foreign correspondent Rainsford reports on Fidel's reshaping of a nation and what the future holds for ordinary Cubans now that he and his brother Raul are no longer in power Through tales of literary ghosts and forgotten reporters believers in the revolution and dissidents entrepreneurs optimistic about the new Cuba and the disillusioned still looking for a way out *Our Woman in Havana* paints an enthralling picture of this enigmatic country as it enters a new era **My Guantanamo Diary** Mahvish Khan, 2008-01-11 Mahvish Khan is an American lawyer born to immigrant Afghan parents in Michigan Outraged that her country was illegally imprisoning people at Guantanamo she volunteered to translate for the prisoners She spoke their language understood their customs and brought them Starbucks chai the closest available drink to the kind of tea they would

drink at home And they quickly befriended her offering fatherly advice as well as a uniquely personal insight into their plight and that of their families thousands of miles away For Mahvish Khan the experience was a validation of her Afghan heritage as well as her American freedoms which allowed her to intervene at Guantanamo purely out of her sense that it was the right thing to do Mahvish Khan s story is a challenging brave and essential test of who she is and who we are The Prisoner of Guantanamo Dan Fesperman,2006-07-11 When the body of an American soldier is discovered in Cuban waters near the U S detention facility at Guant namo Revere Falk a former FBI agent is reassigned from his job interrogating an accused al Qaeda operative to investigate the soldier s mysterious death Falk soon finds himself in a deadly game of intrigue that stretches from the charged waters of Guant namo Bay to the polished halls of Washington Every move Falk makes could be costly and to make matters worse a dark figure from his past reappears brandishing a secret he thought he had safely buried The Prisoner of Guant namo is a daring look at life behind the barbed wire of Gitmo and a riveting portrayal of what goes on in the most secret levels of our government

Radical Pacifism in Modern America Marian Mollin,2013-05-29 Radical Pacifism in Modern America traces cycles of success and decline in the radical wing of the American peace movement an egalitarian strain of pacifism that stood at the vanguard of antimilitarist organizing and American radical dissent from 1940 to 1970 Using traditional archival material and oral history sources Marian Mollin examines how gender and race shaped and limited the political efforts of radical pacifist women and men highlighting how activists linked pacifism to militant masculinity and privileged the priorities of its predominantly white members In spite of the invisibility that this framework imposed on activist women the history of this movement belies accounts that relegate women to the margins of American radicalism and mixed sex political efforts Motivated by a strong egalitarianism radical pacifist women rejected separatist organizing strategies and instead worked alongside men at the front lines of the struggle to construct a new paradigm of social and political change Their compelling examples of female militancy and leadership challenge the essentialist association of female pacifism with motherhood and expand the definition of political action to include women s political work in both the public and private spheres Focusing on the vexed alliance between white peace activists and black civil rights workers Mollin similarly details the difficulties that arose at the points where their movements overlapped and challenges the seemingly natural association between peace and civil rights Emphasizing the actions undertaken by militant activists Radical Pacifism in Modern America illuminates the complex relationship between gender race activism and political culture identifying critical factors that simultaneously hindered and facilitated grassroots efforts at social and political change

Guantanamo and the Abuse of Presidential Power Joseph Margulies,2006-07-03 In his address to the nation on September 20 2001 President Bush declared war on terrorism and set in motion a detention policy unlike any we have ever seen Since then the United States has seized thousands of people from around the globe setting off a firestorm of controversy Guantanamo and the Abuse of Presidential Power explores that policy and the intense debates that have followed Written by

an expert on the subject one of the lawyers who fought and won the right for prisoners to have judicial review this important book will be of immense interest to liberals and conservatives alike With shocking facts and firsthand accounts Margulies takes readers deep into the Guantanamo Bay prison into the interrogation rooms and secret cells where hundreds of men and boys have been designated enemy combatants Held without legal process they have been consigned to live out their days in isolation until the Bush administration sees fit to release them if it ever does Margulies warns Americans to be especially concerned by the administration's assertion that the President can have unlimited and unchecked legal authority Tracing the arguments on both sides of the debate this vitally important book paints a portrait of a country divided on the brink of ethical collapse where the loss of personal freedoms is under greater threat than ever before *Justice at Guantanamo* Kristine Huskey, 2009-06-02 As a professional model and dancer in 1990 Kristine Huskey would never have guessed that by 2006 she would be one of America's top human rights experts and attorney for the world's most controversial prisoners Then again her life had always had its unexpected turns In *Justice at Guantanamo* Huskey tells the fascinating story of how she went from a childhood in Alaska to a civil war in Africa the glitter and grunge of life in the Big Apple backpacking overseas and finally her true calling law Huskey was one of the first female lawyers to represent detainees of the Guantanamo Bay detention camp including those in two cases that yielded a landmark Supreme Court decision allowing them to challenge their status in federal courts *Justice at Guantanamo* delves into Huskey's visits to the camp's secretive all male world [Guantanamo's Child](#) Michelle Shephard, 2010-02-18 A prize winning journalist tells the troubling story of Canadian Omar Khadr who has spent a quarter of his life growing up in Guantanamo Bay Khadr was captured in Afghanistan in July 2002 at the age of 15 Accused by the Pentagon of throwing a grenade that killed U S soldier Sgt First Class Christopher Speer Khadr faces charges of conspiracy and murder His case is set to be the first war crimes trial since World War II In *Guantanamo's Child* veteran reporter Michelle Shephard traces Khadr's roots in Canada Pakistan and Afghanistan growing up surrounded by al Qaeda's elite She examines how his despised family dubbed Canada's First Family of Terrorism has overshadowed his trial and left him alone behind bars for more than five years Khadr's story goes to the heart of what's wrong with the U S administration's post 9/11 policies and why Canada is guilty by association His story explains how the lack of due process can create victims and lead to retribution and instead of justice fuel terrorism Michelle Shephard is a national security reporter for the Toronto Star and the recipient of Canada's top two journalism awards You will be shocked saddened and in the end angry at the story this page turner of a book exposes I read it straight through and Omar Khadr's plight is one you cannot forget Michael Ratner New York President of the Center for Constitutional Rights Michelle Shephard's richly reported well written account of Omar Khadr's trajectory from the battlefields of Afghanistan to the cells of Guantanamo is a microcosm of the larger war on terror in which the teenaged Khadr either played the role of a jihadist murderer or tragic pawn or perhaps both roles Peter Bergen author of *Holy War Inc* and *The Osama bin Laden I Know* **Walk the Walk** Alan Deutschman, 2009-09-03 One

of the best leadership books of the year strategy business Leadership is the art of transforming how people think feel and act Though some experts make it seem complicated it really has only two elements what you say and what you do And according to Alan Deutschman most leaders focus too much on words and not nearly enough on setting an example Deutschman profiles a wide range of leaders in business education the military and nonprofits who always walked the walk especially when times got tough In a skeptical world that gave them more credibility than even the best possible speeches Deutschman also shows the devastating consequences of not walking the walk even on seemingly minor matters Consider how the CEOs of GM and Chrysler hurt their chances of a government bailout by flying their private jets to Washington The eye opening examples in Walk the Walk will inspire leaders at all levels

Freedom Walk Mary Stanton,2011-03-04 In 1963 the streams of religious revival racial strife and cold war politics were feeding the swelling river of social unrest in America Marshaling massive forces civil rights leaders were primed for a widescale attack on injustice in the South By summer the conflict rose to great intensity as Blacks and whites clashed in Birmingham Outside the massive drive Bill Moore a white mail carrier had made his own assault a few months earlier Jeered and assailed as he made a solitary civil rights march along the Deep South highways he was ridiculed by racists as a crazy man His well publicized purpose to walk from Chattanooga to Jackson and hand deliver a plea for racial tolerance to Ross Barnett the staunchly segregationist governor of Mississippi On April 23 on a highway near Attalla Alabama this lone crusader was shot dead Although he was not a nobly ideal figure handpicked by shapers of the movement inadvertently he became one of its earliest martyrs and until now part of an overlooked chapter in the history of the civil rights movement Floyd Simpson a grocer and a member of the Gadsden Alabama chapter of the Ku Klux Klan was charged with Moore s murder A week later a white college student named Sam Shirah led five Black and five white volunteers into Alabama to finish Moore s walk They were beaten and jailed Four other attempts to complete the postman s quest were similarly stymied Moore had kept a journal that detailed his goal Using it along with interviews and extensive newspaper and newsreel reports Mary Stanton has documented this phenomenal freedom walk as seen through the eyes of Moore Shirah and the gunman the three protagonists Though all shared a deep love of the South their strong feelings about who was entitled to walk its highways were in deadly conflict

When to Walk Away Gary Thomas,2019-10-08 Don t let toxic people undermine your God given calling learn when to walk away Have you ever counted how many times Jesus walked away from toxic people or let them walk away from him The answer may surprise you Drawing from years serving as a pastor Gary Thomas bestselling author of Sacred Marriage looks at biblical examples from the lives of Jesus Paul and Nehemiah to equip you to handle toxic people with grace and firmness We often feel the guilt and responsibility of meeting the needs of unhealthy people in our lives whether a sibling parent spouse coworker or friend And most of us struggle to recognize when a relationship has become toxic and how to move beyond it In When To Walk Away you ll discover how to Learn the difference between difficult people and toxic people Find refuge in God when you feel under attack Discern when

and how to walk away from a toxic situation Keep a tender heart even in unhealthy relationships Grow your inner strength and invest in reliable people Toxic relationships leave us drained and we all experience them If you're wondering what to do next Gary Thomas has written this practical and helpful book for you Jennie Allen author of *Get Out of Your Head* founder of IF Gathering **Fellowship** Harold Edward Fey, 1963 *The Way of Peace* Jeffrey David Meyers, 2016-04-08 One of the most influential social activists of the twentieth century A J Muste is remembered by some as a pioneering labor leader by others for his work helping lay the foundations of the civil rights movement and by many others for his tireless work for peace justice economic equality and the protection of civil liberties As a pastor Muste's life and work were shaped by his Christian theology This collection of Muste's sermons speeches articles and other works for religious audiences is a timely call for Christians to follow him in the way of peace **American Gandhi** Leilah Danielson, 2014-08-12 When Abraham Johannes Muste died in 1967 newspapers throughout the world referred to him as the American Gandhi Best known for his role in the labor movement of the 1930s and his leadership of the peace movement in the postwar era Muste was one of the most charismatic figures of the American left in his time Had he written the story of his life it would also have been the story of social and political struggles in the United States during the twentieth century In *American Gandhi* Leilah Danielson establishes Muste's distinctive activism as the work of a prophet and a pragmatist Muste warned that the revolutionary dogmatism of the Communist Party would prove a dead end understood the moral significance of racial equality argued early in the Cold War that American pacifists should not pick a side and presaged the spiritual alienation of the New Left from the liberal establishment At the same time Muste was committed to grounding theory in practice and the individual in community His open pragmatic approach fostered some of the most creative and remarkable innovations in progressive thought and practice in the twentieth century including the adaptation of Gandhian nonviolence for American concerns and conditions A biography of Muste's evolving political and religious views *American Gandhi* also charts the rise and fall of American progressivism over the course of the twentieth century and offers the possibility of its renewal in the twenty first *Guide to the Swarthmore College Peace Collection* Swarthmore College. Peace Collection, 1981 *Guantánamo* Council of Europe. Parliamentary Assembly, European Commission for Democracy through Law, 2007-01-01 The Parliamentary Assembly of the Council of Europe has unanimously condemned the violation of the human rights of the prisoners held by the United States at the Guantánamo detention centre in Cuba and it has demanded the closure of the base This publication sets out the Assembly's arguments in this matter along with the study by the European Commission for Democracy through Law as to the lawfulness of the base and whether there is a need for a change in international law to strengthen the Geneva Conventions **A Depth Psychological Study of the Peace Symbol** Michelle Rivera-Clonch, 2023-07-05 This engaging new book uncovers the cultural context behind the peace symbol's emergence its growing significance in the 1960s and its ongoing presence in today's worldwide grassroots and nonviolent social action protests Since its debut in 1958 the peace symbol has

become a ubiquitous presence in broadcasted images of protest and resistance yet most citizens are unaware of the symbol's history or psychological evolution. It is a unique modern symbol in that it is at once an omnipresent and yet entirely unknown entity. This noteworthy text engages readers in fresh and thought provoking ways around the interdependent relationships of peace and war, recognition and secrets, symbol and chaos, and action and inaction to name a few. In this book, Rivera Clonch brings a depth psychological analysis to Post World War II's escalating nuclear tensions and rhetoric and links it to today's increasing consciousness around social injustices and nonviolent activism. This is a timely and relevant interdisciplinary case study exploring the peace symbol through the dimensions of cultural secrets and psychological shadow, nuclearized storytelling and symbology, and grassroots nonviolent social action. *A Depth Psychological Study of the Peace Symbol* will be of interest to Jungian and depth psychologists as well as students and scholars of peace studies and psychology.

Comparative Legal Approaches to Homeland Security and Anti-Terrorism James Beckman, 2016-05-23 The spectre and fear of another terrorist attack looms large for most of the world's citizenry and for the domestic law agencies charged with protecting these citizens and countries. This book explores how various countries have dealt with or are dealing with homeland security in the aftermath of terrorist attacks such as 9/11, the underground tube attacks in London in 2005, the Madrid train bombing in Spain, and compares global approaches and lessons to the US and the world. This unique study looks at homeland security law and policy utilizing a comparative analysis methodology ideal for those interested in law and security. **Liberation**, 1963

Walking To Guantanamo Introduction

In today's digital age, the availability of Walking To Guantanamo books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Walking To Guantanamo books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Walking To Guantanamo books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Walking To Guantanamo versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Walking To Guantanamo books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Walking To Guantanamo books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Walking To Guantanamo books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Walking To Guantanamo books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Walking To Guantanamo books and manuals for download and embark on your journey of knowledge?

FAQs About Walking To Guantanamo Books

1. Where can I buy Walking To Guantanamo books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Walking To Guantanamo book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Walking To Guantanamo books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Walking To Guantanamo audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
