Hlahla,2022-11-03 The book aims to inspire the reader to trust completely in God and His promises and to never give up no matter the circumstances one is going through Through personal testimony the author is honoring God for His faithfulness through the many trials and tribulations that he has been and continues to go through The book is therapeutic and has an internal purpose as it helps the reader and certainly the author to heal from past wounds by mourning previous loss communicating frustrations and expressing feelings It also helps to maintain hope that one can go through trials and tribulations by focusing on the positive things of life and growing in faith moving on and believing in God s promises no matter the circumstances one is in The book notes that people who suffer immensely are chosen people who God wants to use and that the severity of the suffering to the individual can be equated to the extent to which God wants to use that individual The writer reflecting on his life makes it clear that pain and suffering are guaranteed but that one can go through it all if one puts his/her trust completely in the Lord The book is intended for every reader and it is envisaged that it will especially appeal to many who are going through pain and suffering of whatever kind and severity and are looking for solutions in a godly way Because the book is written in a very personal way it is likely to touch the hearts of many **Don't**

Pocket Guide series A Biblical view of suffering Excellent small resource **The Sweet Side of Suffering** Esther Lovejoy,2013-03-01 Suffering is often a reality people don't choose However they do have a choice in how to respond to it In *The Sweet Side of Suffering* author M Esther Lovejoy explores the character of God to help readers find a response that sweetens the bitter waters of suffering This engaging book is written in a narrative voice sharing biblical truths and practical insights from the author's personal experiences Readers can find a message of hope and encouragement as they discover a fresh perspective on strengthening their relationship with God and renewing their confidence in knowing that He is always there **To Those Who Suffer** Sean Nolan,2010-05-01 We often hold out for God to alleviate our circumstantial suffering

or pain But what about those who suffer and fall between the cracks of conventional Christian teaching Those that don't have that luxury to have the horrific circumstance removed or reversed that has caused their hardship These people aren't able to hold out hope that the Lord will alleviate their circumstances because their circumstances are not transformable within the rules of life that the Lord has set up The Lord will not reasonably reattach the legs of a person who has had both of their legs amputated nor will God bring a woman's husband of fifty years back from the dead so does this mean that these people have no hope The answer to this question is there is hope There is a solution to suffering that doesn't depend on the transformation or relief of our circumstances To Those Who Suffer proves that the Lord's hope is not primarily found in the relief of our condition but in the actions of Christ on the Cross The Lord will come through for us even if He doesn't change our circumstances This doesn't mean that there isn't circumstantial blessing and relief to be had in our lives It simply means that such things are a secondary solution to our suffering compared to the spiritual solution that our Savior sends to all who seek to understand suffering from His standpoint This truth is best displayed by the actions of Christ at the Cross If Jesus had the circumstantial pain that He was in immediately alleviated then the greatest gift and most wonderful thing that the world has ever seen would not have come to pass The same is true for us To Those Who Suffer helps you to understand that the Lord is not short changing you by allowing pain and suffering in your life The best and most wonderful thing that the Lord brings to pass in the lives of His children is not the protection of their personal pleasure but the process of being conformed into the image of His Son In Chapter 10 author Sean Nolan explains that Paul understood that the highest calling and greatest gift God gives to His children is not comfortable circumstances but a Christ-like character Paul realized that suffering fueled and propelled his relationship with God Through this he came to understand something more fulfilling and valuable than a pain-free existence Paul learned that his physical pain had produced spiritual prosperity He may have been suffering in his physical earthly circumstances but he was abounding spiritually His relationship with the Lord had flourished and he had an abundance of Christ-like characteristics that had been cultivated through the removal of his comfort It is the purpose of this book to help you understand that the Lord takes the same tree and changes its fruit Instead of suffering giving birth to misery despondency anger hate and pain the Lord prunes and works in our lives so that we bear different fruit from the same tree or circumstances Instead of negative bitter fruit our suffering can yield fruit of love joy peace patience kindness goodness faithfulness gentleness and self control The Lord may not bring relief of your pain but instead He'll use it as a breeding ground for Godly character traits such as love joy and purpose It is the message of the Cross and the message of this book to To Those Who Suffer that a seemingly hopeless circumstance can give birth to the most powerful victory and wonderful blessing

Suffering and Pain Glenn Pease, Steve Pease, 2016-03-18 Suffering and Pain One question people always ask Why does God let Christians go through pain and suffering It would be great if our lives on Earth were always good and nothing bad happened Because of the fall of man from the perfect life in the beginning we have to endure the same

things that all men have to go through God does not cause us to suffer and go through pain but he does allow bad things to happen to good people What will you learn from this book We will go through how God allowed Satan to test Job And how when it was done Job kept his faith and was rewarded many times over by God from what he had before This is what we will have when we are in heaven When bad things happen it is bad just as it was for Job He was at the end of his rope and ready to die and be done with life God uses the bad to create good Many of the bad things that happen do have good come out of it in the end It is hard to see it at the time but when you look back after a while you can see it I know in my life even things like the end of a job at one place can feel terrible at the time but after you get into a new place and find out that the new job is much better than the old you see it was for the best overall The key is to have faith that God is doing the best for you We many times don't thing we agree with things that happen but God sees the whole picture and he knows what is coming in the future We do not know the future so we can't see the things ahead Be strong and we will see We also know that when we get to Heaven all things will be perfect and we will have no pain or suffering anymore Walking Through Shadows Carl Wieland, Ken Ham, 2002 The authors draw on their own experiences and also use the Bible to answer hard questions of pain and present an answer for hurting people *Coping with Your Pain and Suffering* Matthew Robert Payne, 2023-08-17 Life is full of challenges and even as Christians we are not strangers to pain and suffering The stories in the Bible have shown us that even favored kings like David and Solomon had their share of ordeals The apostle Paul had to walk a lonely and hardship filled road on his way to greatness Job a person worthy of admiration went through sickness and almost loses the fight for his faith Are you in the grip of pain and suffering Are you struggling to keep your faith in the midst of all the trials In this book Matthew shows us that we can find joy in the journey and live life with a purpose He will walk us through the lives of the people in the Bible who went through trials and tribulations and have persevered to fight another day in the Grace of God Matthew will share his own struggles with a mental illness and how he has learned to ride the storm with Jesus He reveals to us that when the pain seems unbearable we can find comfort in knowing that we are loved and Jesus is with us every step of the way Jesus suffered and died on the cross not just to save us but to identify with our life as a mortal If you are wondering what you can look forward to with all the pain in your life Matthew shares the hope of healing and the rewards of a glorious life in Heaven **Between Pain and Grace** Gerald Peterman, Andrew Schmutzer, 2016-05-23 Why is there suffering When will it end Where is God in it Despite how common suffering is we still struggle to understand it and even more to bear through it Between Pain and Grace gets to the heart of this struggle Its honest and detailed portrait of life challenges our assumptions about pain emotion and God himself Born from a popular college course on suffering this book answers critical questions like Is God personally involved in our pain and suffering How should Christians handle emotions like grief and anger What does the Bible say about issues like mental illness sexual abuse and family betrayal Striking an elegant balance between being scholarly and pastoral Between Pain and Grace is useful in the classroom churches and for personal reading

The authors draw from Scripture personal experience and even psychological research to offer a well rounded and trustworthy take on suffering Between Pain and Grace will give you confidence in God s sovereignty comfort in His presence and wisdom for life this side of paradise It will also make you more tender and better prepared to respond to the suffering of others Read it today for a richer more realistic relationship with God
