love letter to the small but mighty dachshund or as it s more affectionally known the Sausage Dog **Walking Wisdom** Gotham Chopra, Deepak Chopra, 2010-10-05 If it wasn t for dogs some people would never go for a walk anonymous Gotham Chopra considers himself a pretty average guy He devours pizza lives and dies by his hometown teams and watches Kung Fu Panda with his son daily But his childhood wasn t quite so average Growing up Gotham was exposed to the deepest reservoirs of knowledge that his famous father Deepak could find his childhood was part spiritual part scientific and totally unique Now a newly minted father himself he s contemplating the influences he wants to draw on for his own son The first was no surprise his father The second was unexpected his dogs From Nicholas the blaze of energy and anarchy who turned the family upside down to Cleo a rescue mutt with food issues the Chopra dogs taught the family about curiosity and wisdom open mindedness and passion not to mention loyalty and pig s ears But what else Gotham wondered And how did these lessons compare to the ones that Deepak himself imparted Gotham would soon find out When his mother took an unexpected trip to India and leaves instructions to look after Papa father and son have an opportunity for male bonding on a big scale That this bonding takes place on their daily walks seems almost natural After all Gotham also had in his care a nervous dog and an exuberant toddler both with an insatiable need for exercise and exploration So Gotham and Deepak walk and talk discussing the laughs and licks that come with having a dog along with the contradictions complexities and consequences of having children They soon realize the qualities they observe and admire most in their pets are values we humans would do well to nurture within ourselves They discover that our best friends have a lot to teach us Gotham and Deepak s message may seem simple but therein lies its brilliance Heartfelt endearing and above all down to earth **Walking Wisdom** offers readers both enlightenment and comfort with a little bit of mayhem thrown in for good measure **You've Got Chain Mail (Roll**

Rattled Ellis Gunn, 2022-05-03 A nail biting unputdownable memoir that brings a confronting new perspective on the safety of women and the many ways they are silenced As gripping as a thriller as moving as a tragedy as passionate as a polemic and as practical as a manual An extraordinary candid wise and terrifying book for our times Jane Caro AM award winning writer Rattled tells a frighteningly honest story of what it feels like to be pursued by a stalker What if your life were suddenly transformed by anxiety and fear The fear of being alone the anxiety compelling you to stay in public places and avoid predictable routines The horrible uncertainty of not knowing whether you should fear for your life and maybe even the lives of your children The dreadful knowledge that ultimately you are powerless to escape Ellis Gunn's world is turned upside down when she realises that she is being followed by a man she doesn't know and that she can't make him stop The experience conjures up other incidents of sexual harassment and abuse that she has endured incidents she often accepted as normal Spurred on to look deeper she discovers that stalking is part of an underlying misogyny that more than half the population is dealing with on a daily basis Alarming and at times even darkly amusing Rattled is a thought provoking heart in your throat memoir that begins in outrage and ends with a celebration of the howling winds of change sweeping the globe To read RATTLED is to pass briefly into a realm of fairy tales and allegory where wolves disguise themselves as kind strangers The memoir serves as a reminder that no matter how far women have come in society in many places safety remains an illusion we are still vulnerable to violence stalking and harm from strangers Gunn's language is gorgeous and lyrical and she uses a poet's skill to wield her words as weapons The book is a battle cry a call to arms and a mythological rendering of an everyday occurrence I tore through it in a single day Ava Barry author of Windhall Ellis Gunn's book RATTLED gives us a first person account of what it is like to be the victim of a stalker She does a brilliant job so brilliant that a few pages in I had to Google her to make sure she was still alive Of course my logical self knew she was the book is testament to her indomitable spirit her support networks and her very existence but the power of the writing made it just ever so possible that this was somehow a living will all that remained of her Jenna Price Spectrum SMH Gunn does an exceptional job of weaving her story with the kind of information readers might want or need to know both the practical aspects of dealing with stalking and the police but also the more theoretical aspects of how we might make change The Age At once compulsively readable and deeply alarming RATTLED is remarkable for its courage its clarity of thinking and its literary craft Gemma Nisbet The Weekend West Rattled is a great achievement A warm frank thoughtful book that ultimately seems to assert very loudly I am NOT alone you CANNOT isolate me you cannot bring me down and you cannot have me Gunn has bloody nailed it Lucy Ellman *Peck's Bad Boy and His Pa* George Wilbur Peck, 1900 The adventures of Peck's son [Peck's Bad Boy and His Pa: 100 Illustrations](#) George W.
