Walking On A Rolling Deck Life On The Ark:

Walking on a Rolling Deck Kathleen C. Berken, 2008 In 1999 Kathy Berken left Green Bay Wisconsin for her new home as a live in assistant in a L Arche community in Clinton Iowa Although the life she left was not necessarily one of balmy beaches she could never have predicted the storms that lay ahead She found that her new home was not an ark of refuge However she also found that God was with her and the members of her house shaping and guiding them The story of her journey is told here with verve and honesty It is a story of breast cancer of forging relationships of violence and the struggle to forgive It is the story of a heart turned to God and changed by love of others It is ultimately the story of all of our Christian lives no matter where or with whom we live Jesus is truly living in the hearts of those who have been pushed aside He is not just in gentle and prayerful liturgies but also in the mess of dailiness and of difficult relationships The crucified Jesus leads to crucified people The resurrection of Jesus leads us to discover the seeds of resurrection in all the pain of our world and in all the hidden pain in each of us It leads us to celebration and to laughter It is a place of healing for us all Yes you have well described life in L Arche home From the Foreword by Jean Vanier To learn more about Kathy Berken and L Arche Books please visit the website www.faithjourneyhope.com Kathleen Berken is house coordinator for one of three homes in L Arche community in Clinton Iowa where she lives with five men with developmental disabilities She was a high school and college math teacher prior to joining the staff of The Compass the newspaper of the Catholic Diocese of Green Bay Berken joined the L Arche community in 1999 Her roles of mother teacher caregiver and friend all give dimension to her role as L Arche assistant [One Heart, One Soul, Many Communities](#) Mary Forman, 2009 Attempts to answer these questions showcase the theme of unity in diversity and address Benedictine monasticism in broad institutional strokes as well as in the very specific practices and narratives of monastics oblates and others living in various communities In this volume you will hear the voices of many community members young and old men and women Benedictines and intentional community members all speaking from the heart of their lived experience and wisdom BOOK JACKET

Exemplarist Moral Theory Linda Zagzebski, 2017-02-21 In Exemplarist Moral Theory of Linda Zagzebski presents an original moral theory based on direct reference to exemplars of goodness whom we identify through the emotion of admiration Using examples of heroes saints and sages she shows how narratives of exemplars and empirical work on the most admirable persons can be incorporated into the theory to serve both theoretical and practical purposes *Tender to the World* Carolyn Whitney-Brown, 2019-10-16 Jean Vanier's spiritual vision and sense of humour shaped L Arche but the organization was also informed by its surprising history with the United Church of Canada In *Tender to the World* Carolyn Whitney Brown explores the connections between the two organizations through diverse critical insights from Julia Kristeva Doreen Massey and Mikhail Bakhtin as well as Vanier's controversial articulation of the gift of weakness Tracing the five decade relationship between L Arche and the United Church alongside evolving disability theories Whitney Brown examines both the fundamental importance of stories

and the agency of people with intellectual disabilities Inversion a transformative overturning of expectations in social interactions can be upsetting or exciting challenging or inspiring she argues This book offers a fresh look at how L Arche and the United Church have worked to break down walls of difference illuminating how each tenders something unexpected to the other and to the world At a time when many are seeking new visions for society the long and complex relationship between Canada s largest Protestant denomination and L Arche offers both encouragement and a deeper way to approach questions of living in diverse communities

An Anthology of Saints William J. Bausch, 2011-10 Saints are a significant part of our heritage revered figures of our Christian culture according to Father Bill Bausch Long before television the cult of saints dominated the popular imagination they were and are our Christian celebrities He says that while modern celebrities point to and celebrate themselves the saints point to or wrestle with something more beyond appearances some one more They are mirrors to another reality Whatever their history at least once in their lives saints heroically leap beyond their pride self absorption and even the instincts of self preservation into a fullness of sacrifice generosity and love that takes our breath away Bausch covers 50 of these saints here in this beautifully written anthology

Theology, Disability, and Spiritual Transformation Michael Hryniuk, 2010 In this study Michael Hryniuk develops a full phenomenological psychological and theological account of spiritual transformation in the context of L Arche a federation of Christian communities that welcome persons with learning disabilities The book begins with a critical examination of current perspectives on spiritual transformation in theology and Christian spirituality and constructs a new foundational formulation of transformation as a shift in consciousness identity and behavior Through extensive analysis of the narratives of the caregiver assistants who share life with those who are disabled this case study reveals an alternative vision of the three fold way that unfolds through a series of profound awakenings in relationships of mutual care and presence an awakening to the capacity to love to bear inner anguish and darkness and to experience radical human and divine acceptance The book examines the psychological dimensions of spiritual transformation through the lens of contemporary affect theory and explores how care givers experience a profound healing of shame in their felt sense of identity and self worth
