further development into all things kinky What historians have chiefly noted about this outrageously erotic novel are the perversity of the acts contained within which must be pointed out here do include orgies and incest This collection also contains the famous erotic and somewhat autobiographical tale Venus in Furs by Ritter von Leopold Sacher Masoch Of note is the fact that while the term sadism is directly attributable to the Marquis de Sade the term masochism is directly attributable to this work by this author In the tale the protagonist Severin is infatuated by the beautiful woman of the story and offers himself as her slave Enthralled by his total submission to her he encourages this woman by the name of Wanda to humiliate and to degrade him The degradation and humiliation becomes crueler and more heartless as the story continues Focusing on fetish and S M this famous story remains famous to present times and fits right in with exactly what Sextreme Books loves to publish Finally this compilation would not be complete without the classic Victorian erotic novel Forbidden Fruit Luscious and exciting this story fits completely and entirely in with Sextreme Books dedication to bringing its readers all things sexy and delicious To quote one goodreads reviewer Mind officially blown Prepare to have your conceptions of a stuffy prudish Victorian era completely swept away Both in quality of writing and pure filth content Forbidden Fruit makes 50 Shades look like it was written by a 4th grader I am astounded at the level and the amount of perversity that the author manages to achieve in such a short novel Mmm yummy so you get the idea and we thought heck let s just put together the best gift ever for our hungry little erotic romance readers This is the really good stuff ladies and gentlemen solid erotic literature for your every whim and fancy
