

Wahl Deluxe Style Pro Clipper Quick Start Guide

① Clipper Testing

All Wahl clippers are tested before they leave our factory. Often testing materials or grinding compound may be found on the blades. This is easily cleaned off using the enclosed blade cleaning brush.

Your Clipper

② Oil Blades Before Each Use

Oil included with your clipper

Your Wahl clipper blades were oiled and aligned before leaving our factory. Blades may need to be realigned if they have been bumped or removed for cleaning. To determine if realignment is necessary, compare your clipper blades with this sketch in your user manual under "Clipper Maintenance." This page also features instructions on how to realign.

③ Taper Lever

The taper lever adds versatility to your clipper by allowing you to gradually change the closeness of your cut. (Up position = closest cut; Down position = longest cut) Should the blades become jammed with hair, move the taper lever up and down several times. This will help free up the blades.

④ Attaching Guide Combs

Align comb on blade, then press tab until you hear a snap.

⑤ Easy to Follow Instructions

Follow the easy step-by-step instruction guidebook for a perfect haircut every time.

A Battlement of Spears Bernard Botes Krüger,2006-05-02 WHAT cruel twist of tectonic irony caused the deepest scar on the earth s surface across the face of that continent that would also suffer the most appalling of human tragedies So begins a narrative set against the backdrop of the timeless mountain called in Zulu uKhahlamba the Barrier of Spears Yet the story is not uniquely South African it is not about apartheid or about Blacks or Whites Rather it is about the countless gray people ordinary individuals who become trapped in the consummation of historical inevitabilities that are neither of their doing nor of their choosing In a tragic series of events two friends will discover what sacrifices are exacted from those who would dwell in the no man s land of the summit where fog often obscures the vision and deprivation dulls the senses until it becomes all too easy to drift into hostile territory or stumble into the jaws of the precipice But they will also learn that barriers are not always what they seem In that hauntingly beautiful land it is never merely about survival but about the things that make it truly worthwhile such as friendship loyalty and honor regardless of the price
