Walking With Jesus Through His Word Discovering Christ In All The Scriptures:

Walking with Jesus Through His Word Dennis E. Johnson, 2015-05 Charles Spurgeon once said that just as every road in England leads to London so every text in Scripture contains a path to Christ But there s still a chance of going the wrong way blazing misleading trails where none previously existed How can we be sure that we re reading our road map correctly Dennis Johnson shows us that there are established routes we can trust Guiding us along the network of trails in the Old and New Testaments he points to the signs and markers that help us to identify roads to Christ He surveys the Bible s sweeping story that makes up the lay of the land and explores different landmarks the central motifs in Scripture that give us our bearings as we seek out Jesus Our sermons Bible studies and personal devotions will be transformed as we navigate Scripture in light of its central purpose to draw us in faith and love to our Prophet Priest and King Book jacket [Walking with Jesus Through His Word](#) Dennis Edward Johnson, 2015 [In All the Scriptures](#) Nicholas G. Piotrowski, 2021-12-28 Biblical interpretation is both a science and an art and it has powerful implications for what we believe and how we apply God s Word In this accessible introduction to biblical hermeneutics Nicholas G Piotrowski presents a contextualized approach that equips students pastors and thoughtful readers to build a strong foundation for interpreting the Scriptures **After Emmaus** Brian J. Tabb, 2021-11-17 The church s mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24 46 47 reveals about God s messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus s last words to his disciples Christians today will be motivated to participate in the Messiah s mission **40 Questions About Typology and Allegory** Mitchell L. Chase, 2020-09-29 A survey of two literary devices that are indispensable for understanding salvation history A biblical type is a person place or thing in salvation history that corresponds to a later person place or thing in the scriptural text An allegory is a passage that says one thing in order to say something else Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else In 40 Questions About Typology and Allegory Mitchell Chase provides a thorough introduction to both devices showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation In a convenient question and answer format Chase answers key questions such as Why should interpreters care about typology and allegory How do we identify types What are the theological assumptions of typology Do all types lead to Christ What is allegorical interpretation How was allegory practiced in the early church How should we practice allegorical interpretation Situating typology and allegory within salvation history Chase shows how these devices reveal the interconnectedness of
