Anthony J. Ritthaler

Walking On The Water With Jesus:

A Walk on the Waves Mary Manz Simon, 1993 Retells what happened when Jesus walked across a stormy lake to join his disciples in their boat **Jesus Walks on the Water** Nancy I. Sanders, 1995 Mark 6 45 51 for children *The Faith to Walk on Water* Lindsey Bethel, 2013-04-18 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water **Walking on the Water with Jesus** Anthony J. Ritthaler, 2014-01-12 INSPIRATION TO GUIDE YOU THROUGH TODAY S DARK TIMES The book you are about to read is life changing in every sense of the word Each story will speak to your heart and prove without a shadow of a doubt that God is real I must confess to you that God s hand often guided my hand throughout the course of this project This entire book was written in twenty five hours and you will feel God s presence as you study its content America is hurting in ways that are unthinkable and millions dwell in a state of depression on a daily basis This book offers hope peace and joy in a very dark world I believe this will be one of the most powerful books you will ever read and it will build your faith at the same time The majority of these stories come from my own life and others from great Christians of days gone by Prepare yourself to be amazed shocked and even speechless as God opens your eyes to His truth I pray that untold thousands of lives will be touched and spoken to through these stories **Jesus Walk on Water** James R. Leininger, Paradise Press, Incorporated, 2001-01-01 **Go Ahead! Walk on the Water** Sonya Darcell Johnson, 2022-03-08 Is it possible to live a faith based life Yes When we learn how to apply the word of God to our practical lives then we can overcome all challenges Find out why some believers are so peaceful and happy while in the midst of stormy trials Go Ahead Walk on the Water teaches us how to have victorious outcomes from situations that started as defeats Human effort and divine intervention means victorious lives Like the ocean our lives are always moving The gentle breeze creates the calm ripples of everyday duties that we easily accomplish From those completed goals we gain a sense of satisfaction as we readily embrace our good times of peaceful existence Out of nowhere the happiness and tranquility of an all is well lifestyle is abruptly cut short by the forceful winds of strife We find ourselves in the middle of a storm with tsunami like waves from an unexpected life event Why did this have to happen now Though we have overcome many obstacles we fixate on stormy trials Believing that our life is out of control the giant waves of worry anxiety and panic take over Fear of the unknown and limited options cause our faith to

decrease and we develop spiritual disorientation Because our fears and doubts escalate we become blinded by the threatening storms We cannot see Jesus extending His hands or hear His command to Go ahead walk on the water Faith enables us to listen to His quiet words of comfort I am here with you in the midst of the raging storm God desires that we come to Him as our refuge in the time of trouble As our relationship grows deeper with God we will see His excellent plans and hear the voice of the Holy Spirit guiding us victoriously through the storm Sonya Darcell Johnson *Nothing to Fear* Marilyn Lashbrook,1991 Children will learn there is Nothing to Fear because Jesus is the loving powerful Son of God This book presents the vital truth that Jesus is God a truth a child must embrace if he is to ward off attacks on faith Jesus Walks on Water Rich Linville,2022-03-22 Jesus walking on the surface of the Sea of Galilee shows His true divinity and His conquest of the natural world Jesus is a savior who does not fear the storm and helps everyone in need All the followers of Jesus need to do is place faith in him *Walking on the Water with Jesus Volume 2* Anthony J Ritthaler,2016-07-17 Walking On The Water With Jesus through powerful passion filled stories of faith and victory will show you how to experience Victory Over Self Victory Over Sin and Victory Over Satan Victory Over Situations God didn t create us to limp through life Victory is the expectation God has for every believer God has saved us to be over comers Conquerors Victors This is our birthright as members of God s family Walking On The Water With Jesus is not a Pollyanna pie in the sky notion it is a wondrous miraculous walk on the water with Jesus If you re missing the miraculous in your life get this book It will revolutionize your walk with Christ **Water Walking** Paul D Sibbley,2022-02-14 Water Walking is based on the event when Peter stepped out on the water when commanded to come by Jesus Peter did something that the other disciples did not do He stepped outside of what the other disciples were doing to draw closer to Jesus In the Christian faith today many who profess the Christian faith are doing what we are told to do to go to church to pray and to be good followers of Jesus Christ However we continue to live in the same manner as those who are not followers of Christ In today s society it is very difficult to truly live as the Lord wants us to live because the way our society operates conflicts with the Word of God As Peter stepped out on the water in obedience we must step out of religion practices onto the waters of living holy But in order for you to walk on the water you have to get out of the boat By reading this book I pray that it would set a framework that will encourage you with the blessing grace and mercy of God in giving you the mind to walk on the water May God richly bless you in all your endeavors **The Indian and Christian Miracles of Walking on the Water** William Norman Brown,1928 **If You Want to Walk on Water, You've Got to Get Out of the Boat** John Ortberg,2023-08-22 You re one step away from the adventure of your life John Ortberg invites you to consider the incredible potential that awaits you outside your comfort zone Deep within you lies the same faith and longing that sent Peter walking across the wind swept Sea of Galilee toward Jesus In what ways is the Lord telling you as he did Peter Come Out on the risky waters of faith Jesus is waiting to meet you in ways that will change you forever deepening your character and your trust in God The experience is terrifying It s thrilling beyond

belief It's everything you'd expect of someone worthy to be called Lord The choice is yours to know him as only a water walker can aligning yourself with God's purpose for your life in the process There's just one requirement If You Want to Walk on Water You've Got to Get Out of the Boat In this Christianity Today Award winning read bestselling author John Ortberg pushes you to take the last step that separates you from the adventure of your life And as a result you will learn to Recognize God's presence Discern between faith and foolishness Not only expect problems but field them when they come Reorient your thoughts about failure and see it as an opportunity to grow Wait on the Lord And ultimately connect more deeply with God Features discussion questions at the end of each chapter to enhance your reflection and spiritual growth Also perfect for small group discussion

The book Jesus s Epithets Teacher and Prophet A Cognitive Semantics Approach to Social Roles is based on a completed PhD thesis from the Doctoral School of Languages and Cultural Identities at the University of Bucharest It focuses on the interplay between Jesus s epithets specifically teacher and prophet using cognitive semantics as a framework for analysis The book explores the complementarity of these roles highlighting their portrayal of Jesus s key attributes and his dual human divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus s character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The chapters systematically examine the roles of teacher and prophet employing cognitive semantics tools and exploring textual fragments The analysis of parables as Jesus s preferred form of teaching uses metaphor and conceptual blending theories providing insights into his pedagogical endeavors The examination of Jesus as a prophet draws upon Dahlgren s stereotypical model establishing compelling evidence for Jesus s prophetic role The final chapter underscores the overlap between the teacher and prophet roles emphasizing the usefulness of the radial concept It challenges the notion of sequential roles asserting that Jesus is simultaneously both a teacher and a prophet with the two functions coexisting The book illustrates the intricate complexity of Jesus s character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets *Water-Walking* John
