Warchild The Collected Edition:

Warchild Ernie Lindsey, 2015-02-18 WARCHILD The Collection Edition WARCHILD PAWN The world ended long before Caroline Mathers was born but that doesn't mean life stops for the fourteen year old army scout for the People's Republic of Virginia. With a civil war brewing on the horizon, Caroline's worst fears come true the day she hears the terrifying boom of distant drums beating to the war rhythm echoing throughout their quiet valley. The Democratic Alliance is marching south for an invasion. WARCHILD JUDAS After a harrowing desperate retreat to the capitol city of Warrentville, Caroline faces new battles, enemies who should be friends, ghosts from the past and frantic preparations for combat. Trust is shattered. Betrayal is rampant. WARCHILD SPIRIT For the citizens of the People's Republic of Virginia, their last hope of freedom has faded with their spirits. But not if Caroline can help it. She's out of options yet giving up was never one of them. Facing overwhelming new challenges and old enemies, Caroline soon learns that even when the bullets stop flying, the war is never over. **War Child**

Annette Janic, Catherine McCullagh, 2016-03-05 War Child is a true story that spans 100 years, revealing agonising choices against the backdrop of Nazi Germany, the lingering effects of war, the 1950s Australian migration experience and a modern day search. Magdalena Leni is an illegitimate child born in a small town steeped in superstition in pre-World War II Germany. Denounced as a source of shame by her devoutly Catholic grandfather and the narrow-minded townspeople, Leni and her mother eke out a living dogged by poverty and prejudice in a country moving inexorably towards war. With the advance of the Red Army, Leni and her family are stripped of their possessions and forced to survive on their wits, transforming Leni from a meek, cowed girl to breadwinner and protector. She becomes a member of the Hitler youth while at the same time puzzling over the disappearance of her Jewish friend. Forced to leave school at 14, Leni is confronted with the terrible choice of submitting to secret systematic rape by her employer or having her mother interned. When she falls pregnant, she is determined to avoid the hardship she endured as a child and marries her Yugoslav boyfriend and migrates to Australia. It is an arduous journey marred by the appalling conditions at Bagnoli transit camp and the enormous difficulties of beginning a new life in Australia. In researching her mother's life after the death of both parents, Leni's daughter, Annette, makes a startling discovery. With her dying breath, Leni's confidante reveals another secret. A complex search that crosses three continents follows as Annette gradually unravels the web of intrigue that protects her mother's ultimate secret. **Guitar**
