Watchman Nee Resist the Devil Watchman Nee, Cary White, 2014-08-28 The question then is not victory for Satan is already defeated The Lord has overcome The church has overcome The conflict between the church and Satan is to protect the Lord s victory not to win it Our aim is not to wrestle victory from Satan but rather to keep victory from being robbed We should always triumph in the cross of our Lord We should proclaim Satan you are a defeated foe We must always remind him of this fact When you resist Satan believe this fact that he is a defeated foe We do not withstand him because of his fierceness Not at all I must tell you that such an understanding is a complete distortion It will only bring in confusion No we stand before Satan and declare to him You are already defeated You are finished I am now in the heavenly places I defy you and I resist you 101 Tactics for Spiritual Warfare Jennifer LeClaire, 2018 What To Do When All Hell Breaks Loose Let s face it when the enemy attacks it can be hard to remember which way is up Demonic forces can come in like a flood and disorient your mind They can drown you in hopelessness Or you may be tempted to turn a blind eye to the spirits that intend to kill steal and destroy you But let it be known the devil still wreaks havoc on the earth today and followers of Christ must use Spirit inspired strategies to drive him out You need a battle plan You need specific tactics for specific skirmishes because whether or not you know it you are in a war Offering both scriptures and prayers 101 Tactics for Spiritual Warfare will empower you to take on an offensive rather than a defensive stance against the enemy This book addresses how to Deal with demons from your past Break the stronghold of worry Submit your emotions to the Holy Spirit Take authority over the enemy Jennifer LeClaire offers a practical battlefield manual that will remind you of the things one often forgets in the face of an enemy onslaught Find rest in the midst of spiritual storms break the power of Satan s devices and live a life of victory

Kinnear, 1973 Ever since his writings and the facts of his situation became widely known in the late fifties Watchman Nee has been for many in the West a symbol of Christian faithfulness under totalitarian pressure Of his story however little has been made known partly because his friends saw the need for the message of his books to stand on its merits unaided by emotional appeal to his sufferings and partly from fear of People s Government retaliation upon him and those Christian leaders of his generation still living But meanwhile the information vacuum began to be filled with a Nee mythology of torture and mutilation and of prison epistles smuggled out by converted warders who when executed for this were at once replaced by more warders bearing out further Christian messages from his prolific pen In fact however aside from one or two brief thank you letters no significant writing by Watchman Nee dating from after his imprisonment in 1952 is known to exist Back cover
