The International Handbook of Teacher Ethos Fritz Oser, Karin Heinrichs, Johannes Bauer, Terence Lovat, 2021-08-05 This volume is the first handbook that brings together cutting edge international research on teacher ethos from a broad array of disciplines The main focus will be on research that illustrates current conceptualizations of ethos and its importance for acting effectively and responsibly in and out of the classroom Research will encompass updated empirical and philosophical work that points to the difference in learning when teaching is practised as a moral activity instead of a merely functional one Authors are among the world's foremost researchers whose work crosses over from moral education into psychology neuroscience sociology philosophy pedagogy and curriculum drawing on these various fields of research Today more than ever we understand that teachers like other professionals need more than subject matter expertise for acting responsibly and doing their best in their daily duties Doing so requires possessing a guiding system of professional ethics moral positioning goals norms and values in other words a professional ethos While the handbook concentrates on Western domains in the current era the work will extend to other cultures and times as well With this comprehensive range of perspectives the book will be attractive and useful for researchers on teachers and teaching as well as for teacher educators curriculum designers educational officials and last but not least anyone who is interested in what makes a good teacher This volume is also a tribute to Fritz Oser a leading scholar in research on ethos who sadly passed away during the compilation of this handbook

[Concluding Family Lessons](#) Steven H. Propp, 2019-10-18 In the final installment of a quadrilogy Steven Propp once again invites others to spend a few moments with his family to not only appreciate the difficulties of being young but also realize the crucial importance of family values learning together and loving each other unconditionally especially in today's ever changing times It's been five years and the Propps six grandchildren are

still going to school playing sports and cheerleading taking nature walks playing card games eagerly awaiting the release of blockbuster movies and asking for help with homework Now as they move onto middle and high school and even college there are also new experiences that include learning how to drive visiting a farmer s market listening to classical music and even dealing with mice in the house The questions they pose to their grandparents are becoming more complex even controversial as they ask about Martin Luther King Jr and the Civil Rights movement the Vietnam War IQ tests illegal drugs the dangers of smoking and vaping protests by prominent athletes and the issues of race ethnicity genetics and multiculturalism Concluding Family Lessons completes the insightful journey into the lives of six grandchildren and their grandparents as they face challenging issues together
