The Virtues Of Leadership The Virtues Of Leadership:

Leadership and Virtues Toby P. Newstead, Ronald E. Riggio, 2023-03-30 Good leadership is something every leader and organization should strive towards This book serves as a pivotal resource in encouraging the understanding and practice of leadership and highlights how good leadership is anchored in the rich philosophy and science of virtue Through a diverse range of perspectives the book highlights the importance of leading with virtue unpacks what it means to be a virtuous leader and outlines practical strategies for developing and practicing good leadership Taking a virtues perspective this cohesive collection of chapters by scholars from around the globe offers an inclusive tone and speaks to practicing and aspiring leaders worldwide Readers are provided with a nuanced account of the nature of virtues and leadership and how the two interact on multiple levels and in multiple ways to inform the practice of good leadership Focusing on the tradition of virtue gives this collection a robust scholarly foundation while simultaneously providing scope for diverse views on how and why virtues inform good leadership The book offers a balance of scholarly and practice oriented chapters instilling readers with a deep understanding of virtues and leadership and practical strategies to develop their practice of good and virtuous leadership Each chapter offers a different moral and sociological insight serving altogether to show readers the most effective ways to use virtues to promote shared well being and collective success Scholars students of leadership and management and leadership practitioners will benefit from the accessible and practical lessons this book has to offer This volume will also be of interest to team leaders and managers who are keen to develop their leadership skills in both practice and theory

The Virtue of Leadership Ole Fogh Kirkeby, 2008 Managers have stopped being leaders This might be because they don't quite understand what that task implies but their resistance to the burden of leadership may also stem from a deeper source namely their inability to see the point of leadership Managers might well ask What good is leadership and when we look around today's organizations we can't really blame them The Virtue of Leadership is designed to change this attitude The book argues for the idea of leadership and provides a sense of the particular qualities of a good leader the virtue of leadership Its perspective can be summarized in the image of what the baroque philosophers called the Mirror of the Prince It is a protreptic in the classical Greek sense an injunction to the leader that she or he must take the personal life seriously both as a leader and as a human being It is a handbook or manual that guides the way to being who one is

The Virtues of Leadership Arménio Rego, Miguel Pina e Cunha, Stewart R. Clegg, 2012-07-26 Given the power of multinational organizations in developed and emerging economies and their role in economic growth their leaders face particular moral and business challenges in the contemporary global economy This book draws on a range of different ideas and literatures to outline a framework of virtues that global leaders could adopt

Eight Great Virtues of Leadership Mahin Gosine, 2013

10 Virtues of Outstanding Leaders Al Gini, Ronald M. Green, 2013-04-29 What makes a good leader Ten leaders ten key virtues This readable distillation of the core common features of successful leaders shows how an individual's character

and especially their virtue is the defining factor Without these ten vital virtues leadership becomes misleadership The authors both renowned business ethicists combine theory with fascinating biographical detail on exemplary leaders such as Abraham Lincoln Winston Churchill and Oprah Winfrey The result is an accessible text on the ethics of leadership which unlike many publications that claim to reveal the secrets of success as a leader is informed by a wealth of exceptional academic experience

The 7 Heavenly Virtues of Leadership Carolyn Barker, Robyn Coy, 2003 Explores the leadership virtues of humility courage integrity compassion humour passion and wisdom

Virtuous Leadership Alexandre Havard, 2017-03-31 Drawing on the lives of some of the greatest political intellectual and religious leaders of modern times and the author's personal experience Virtuous Leadership demonstrates that leadership and virtue are not only compatible they are actually synonymous Virtuous Leadership defines each of the classical human virtues most essential to leadership magnanimity humility prudence courage self control and justice It demonstrates how these virtues promote personal transformation and the attainment of self fulfillment It also considers the Christian supernatural virtues of faith hope and charity without which no study of leadership can be complete The book's final section Towards Victory offers a methodology for the achievement of interior growth tailored to the needs of busy professional people intent on imbuing their lives with a transcendent purpose Thus the aim of Virtuous Leadership is ultimately practical It is meant to be your guidebook in the quest for excellence

Virtues of Leadership William John Bennett, 2001 Thanks to their homespun truth traditional values and moral ideas Bennett's The Book of Virtues has quickly become a classic Focusing on equality integrity and generosity traits often lost in today's self centered cynical society this collection of favorite stories anecdotes and legends reminds us that no matter where we go a part of us always will be home

31 Days with the Virtues Karl Haden, Rob Jenkins, 2019-08-27 From the authors of The 9 Virtues of Exceptional Leaders Unlocking Your Leadership Potential While the selections in this volume may be quickly read we trust they will linger long on the mind They are after all reflections We hope the reader will take one day at a time perhaps five to 10 minutes in the early morning or in the evening to prepare for the next day to read and meditate on the quotation and the corresponding reflection Each day's reflection ends with a suggestion for practicing the relevant virtue Whether you use our idea or think of another the goal is always action The virtues of exceptional leaders are habits and like the habits of a virtuoso they result from deliberate practice
