The Vision Of Eagle Lake A Novel Approach To Manifestation:

The Vision of Eagle Lake a Novel Approach to Manifestation P. J. Kates, 2009-07-15 A small village is in desperate need of something vital to the well being of all residents and for the survival of the village The situation seems totally impossible until six women and a dog discover a positive approach to reaching their goal The story takes place in a resort retirement community in the foothills of the Ozarks It is one component of an actual project using the positive approach to build a hospital By creating this story the thoughts to create it become more powerful as they are written and sent to readers around the world The author's intent is to demonstrate potential outcomes to situations through fiction believing that thoughts really do become things and words and energy move by intent Ordinary women perform an extraordinary feat when they are brought together by design not by coincidence Everything happens for a reason It was meant to be **Crossing the**

Border: On the Quadruple-Evidence Method Li Yang, Shuxian Ye, 2024-04-04 This book is the first monograph of its kind in the academic world which comprehensively expounds the new methodology of humanities The quadruple evidence method is one which integrates quadruple evidences to open up new horizon for interpretation of ancient culture in the three dimensional manner The first layer of evidence refers to documents passed down from the past the second layer of evidence refers to local written materials the third layer of evidence includes oral legends of anthropology and folklore and etiquette in the living folk customs the fourth layer of evidence refers to those ancient objects and images either unearthed in archaeological excavations or handed down from the past The book consists of theoretical explorations and their applications in individual cases While the first part studies the academic evolution theory and methodological value of the quadruple evidence method the second part in using the method in different cases explores different historical and cultural phenomena in the history of China attempting to extend the frontier of the origin of civilization from the approach of mythological study
