The War Of The Running Dogs The Malayan Emergency 1948 196:

The War of the Running Dogs Noel Barber, 2023-08-17 A splendid exciting book Daily Mirror The story of the first all out struggle in Asia between Communism and the West vividly told in an exciting and engrossing book Sunday Express Only three short years after the end of the Japanese occupation war came again to Malaya The Chinese backed guerrillas called it the War of the Running Dogs their contemptuous term for those in Malaya who remained loyal to the British The British Government referred to this bloody and costly struggle as the Malayan Emergency Yet it was a war that lasted twelve years and cost thousands of lives By the time it was over Malaya had obtained its independence but on British not on Chinese or Communist terms Here is the war as it was Here are the planters and their wives on their remote rubber estates the policemen the generals and the soldiers the Malays Chinese and Indians of a polyglot country all fighting an astute ruthless and well organized enemy *The War of the Running Dogs* Noel Barber, 1987 **Understanding War** Christian P.

Potholm, 2016-08-03 The third book in Professor Christian Potholm's war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

Airpower in Small Wars James S. Corum, Wray R. Johnson, 2003 The use of airpower in wartime calls to mind the massive bombings of World War II but airplanes have long been instrumental in small wars as well Ever since its use by the French to put down rebellious Moroccan tribes in 1913 airpower has been employed to fight in limited but often lengthy small conflicts around the globe This is the first comprehensive history of airpower in small wars conflicts pitting states against non state groups such as insurgents bandits factions and terrorists tracing it from the early years of the twentieth century to the present day It examines dozens of conflicts with strikingly different scenarios the Greek Civil War the Philippine Anti Huk campaign French and British colonial wars the war in South Vietnam before the American escalation counterinsurgency in southern Africa Latin American counterinsurgency operations and counterinsurgency and counterterrorist campaigns in the Middle East over the last four decades For each war the authors describe the strategies employed on both sides of the conflict the air forces engaged and the specific airpower tactics employed They discuss the ground campaigns and provide the political background necessary to understand the air campaigns and in each case they judge the utility of airpower in its broadest sense In their historic sweep they show how forms of airpower evolved from planes to police helicopters aircraft of

the civilian air reserve and today's unmanned aircraft. They also disclose how small wars after World War II required new strategies, operational solutions and tactics. By taking this broad view of small war airpower, the authors are able to make assessments about the most effective and least effective means of employing airpower. They offer specific conclusions ranging from the importance of comprehensive strategy to the need for the United States and its allies to expand small wars training programs. Airpower in Small Wars will be invaluable for educating military professionals and policy makers in the subject as well as for providing a useful framework for developing more effective doctrine for employing airpower in the conflicts we are most likely to see in the twenty-first century.

The War of the Running Dogs Wilfred Cantwell Smith, 1972. Emergency Propaganda Kumar Ramakrishna, 2013-04-15. Sheds new light on the hitherto neglected years of the Emergency 1955-58 demonstrating how it was British propaganda which decisively ended the shooting war in December 1958. The study argues for a concept of propaganda that embraces not merely words in the form of film, radio and leaflets but also deeds.
