The Warden Illustrated:

The Warden Anthony Trollope, 1984-07-03 The first of Trollope's popular Barsetshire novels set in the fictional cathedral town of Barchester. The Warden centers on the honorable cleric Septimus Harding, one of Trollope's most memorable characters. When Harding is accused of mismanaging church funds, his predicament lays bare the complexities of the Victorian world and of nineteenth-century provincial life. And as Louis Auchincloss observes in his Introduction, The theme of The Warden presents the kind of social problem that always fascinated Trollope: the inevitable clash of ancient privilege with modern social awareness. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Warden Illustrated Anthony Trollope, 2020-11-05 The Warden published in 1855 is the first book in Anthony Trollope's Chronicles of Barsetshire series of six novels. It was his fourth novel. The Warden is a Victorian novel by Anthony Trollope. First published in 1855, it's the first novel in the Chronicles of Barsetshire series and it features a clergyman debating what to do with a huge sum of money he's received.

The Warden Anthony Trollope, 2023-05-26 The Warden is concerned with the unassuming Rev Septimus Harding, who has for many years been the Warden of Hiram's Hospital in the fictional town of Barchester. This hospital is what we would today probably call an aged care or retirement home. It was established under the provisions of a will to look after the needs of old men too feeble to work any longer and unable to support themselves. Mr Harding benefits financially from his position, though the duties are very slight. A local doctor, though sweet on Mr Harding's daughter Eleanor, is nevertheless a keen reformer, zealous to overturn what he sees as corrupt patronage in the Church. He investigates the terms of Hiram's will and concludes that the money intended for the benefit of the aged wool carders is unfairly being consumed by the salary of the Warden. He proceeds to pursue this issue through the pages of a crusading journal, The Jupiter. Though strongly defended by the Church authorities, including his son-in-law Archdeacon Grantly, Mr Harding has long struggled with his conscience because of this imputation. The Warden, published in 1855, was Trollope's first major writing success and formed the basis for a series of six novels set in the same fictional county and its cathedral city of Barchester, now known as the Chronicles of Barsetshire.

The Warden Anthony Trollope, 1991 When John Bold decides to challenge corruption in the Church of England, he sets the whole town of Barchester ablaze with the consequences. This book is the study of conflicting loyalties and principles in a cathedral city where the gentle warden becomes an unwilling focus of national controversy.

The Warden: Large Print Anthony Trollope,2019-03-18 The book centers on the character of Mr Harding a clergyman of great personal integrity whose charitable income far exceeds the purpose for which it was intended Young John Bold turns his reforming zeal to exposing what he considers to be an abuse of privilege despite being in love with Mr Harding s daughter Eleanor The novel was highly topical as a case regarding the misapplication of church funds was the scandalous subject of contemporary debate But Trollope uses this specific case to explore and illuminate the universal complexities of human motivation and social morality This edition includes an introduction and notes by David Skilton and illustrations by Edward Ardizzone **The Warden** Anthony Trollope,2002-12-17 **The Warden** Anthony Trollope,1859 *The Warden* (1855) Anthony Trollope,2018-10-30 The Warden published in 1855 is the first book in Anthony Trollope s Chronicles of Barsetshire series of six novels It was his fourth novel SynopsisThe Warden concerns Mr Septimus Harding the meek elderly warden of Hiram s Hospital and precentor of Barchester Cathedral in the fictional county of Barsetshire Hiram s Hospital is an almshouse supported by a medieval charitable bequest to the Diocese of Barchester The income maintains the almshouse itself supports its twelve bedesmen and in addition provides a comfortable abode and living for its warden Mr Harding was appointed to this position through the patronage of his old friend the Bishop of Barchester who is also the father of Archdeacon Grantly to whom Harding s older daughter Susan is married The warden who lives with his remaining child an unmarried younger daughter Eleanor performs his duties conscientiously The story concerns the impact upon Harding and
