Steve Ink, 2015-05-05 John 3:16 is perhaps the most popular verse in the entire Bible It provides us with a concise description of God's motivation and action that leads to the hope of the eternal abundant life promised through Christ It is the Gospel proclaimed in one brief sentence In God So Loved this powerful verse is broken down so that each concept of the whole can be examined explored and personalized Author Steve Ink examines who God is what God has done and how we should live our lives in response This book is written for those seeking to learn about and gain a better understanding of the good news of Jesus Christ The main text of the book provides an overview of the Christian message as seen through Ink's personal experiences The notes provide supportive information for those who want to learn more **Come Quickly** Elaine Hensley Ph.D. L.Ac., 2019-06-06 Turn off your phone and TV Find a quiet place and listen God is trying to speak to you Look for Him seek His face and listen If God were trying to speak to you right now what would He say Do you know how much I love you Do you trust Me Come to Me come back Come quickly and follow Me Do not look to the right or to the left Keep your eyes on Me I believe God in one way or another speaks to us daily if we learn how to communicate with Him You want to just

dismiss it right I can hear you saying God only spoke to people in the Bible I don't believe God uses a burning bush or angel every time He wants to convey a message God is everywhere He can communicate in in any way and as often as He chooses However who says God spoke to them these days They are either lying or crazy Well I say to you okay have it your way and don't believe Then don't be surprised when you dream about something totally odd one night and can't help but wonder if it was just a dream or a message from God trying to talk to you If he can't get your attention one way He will get it another Do yourself a favor and pay attention the first time Why is He speaking to us **A Place for Every... One** Rose

Gardunio, 2018-07-24 Have you ever felt like you do not belong here Like this world is not your home If so you will identify with the author as she shares deep questions she pondered from childhood After a series of tragic events followed by years of grief Rose finds answers given by the Lord that are both comforting and encouraging The Lord imparts these insights using the analogy of each of our lives to our heavenly home Although all homes have similar rooms with similar purposes their design and furnishings are different In the same way many lessons are universal yet we are still each unique and in need of the Lord's words spoken to us individually Throughout this book Rose shares universal lessons while encouraging others to seek God's words to them alone The good news given to all of us is that in God's kingdom there is a place for every one

The Transforming Fire of Divine Love John H. Armstrong, 2025-03-01 Most Bible readers know God is love 1 John 4:8-16 And most have heard the words of John 3:16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe Be Ye Transformed Chuck

Missler, Nancy Missler, 1996-05 Be Ye Transformed is a must read for anyone who wants to see a positive change in their Christian walk it not only teaches us how to make every thought captive renew our minds and put on the Mind of Christ it also contains an expansion of Nancy's original model of the human personality i.e. the hidden chambers which she meticulously crafted from the scriptural pattern of Solomon's Temple Practical field tested examples from years of ministry makes Be Ye Transformed a classic Christian work William P. Welty M.D. Freedom All The Way Up Christian J.

Barrigar, 2017-05-19 Freedom All The Way Up proposes four intertwined elements that make up the meaning of life self worth purpose identity and hope Materialism atheism claim the universe has no meaning so there is no larger purposeful

story into which we can place ourselves we are left on our own to construct meaning for our lives Barrigar argues though that the universe possess God s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with God and with others In effect the universe is a great freedom system designed by God with freedom built in all the way up from the Big Bang to the emergence of big brains and free will Barrigar describes the emergence of this system through his novel agape probability account of God s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory This system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on God and on others Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning In turns out that nihilism is a much greater problem for Materialism than suffering is for Theism In contrast agapic freedom infuses self worth purpose identity and hope with God s agape love dispelling Materialism s inherent nihilism Freedom All The Way Up provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age

Visions of Agapé Craig A. Boyd,2008 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation

Loving Through Enmity Marvin E. Wickware, Jr.,2025-05-20 Wickware responds to the failure of Christian antiracist work to translate love of the enemy into societal transformation Centering a structural idea of enmity he explains how love of the enemy involves embracing our need for those whose interests are opposed to ours under white supremacy engaging in mutual aid and committing to accountability

Understanding Love John Turner,2014-05-30 From God is love an entire range of Christian theology is developed and presented in simple and easy to understand steps Drawing together the various theories of salvation into a unified whole many Bible themes are explained with consistent and compelling logic If you have questions the answers may be here sin righteousness redemption salvation holiness sanctification law and grace soul and spirit heart and mind and many more
