

The book cover features a classical painting of two figures in a landscape. On the left, a man with long hair and a beard, wearing a dark robe, sits and gestures with his right hand. On the right, a woman in a yellow dress leans over a large stone block, possibly a tomb. The background shows a dark, rocky landscape under a cloudy sky. The title is printed in a large, white, serif font over the top half of the image.

The Wisdom And Wit Of Rabbi Jesus:

The Wisdom & Wit of Rabbi Jesus William E. Phipps, 1993-01-01 Jesus was more than just a supernatural figure says William Phipps He had much in common with teachers and shared many of the interests of rabbis ethicists philosophers and satirists Phipps provides evidence of this in his thought provoking book and then gives a broader perspective of Jesus showing that he differed from the traditional ancient wisdom with his rejection of the ideas of female inferiority nationalistic prejudices and intolerance of the unlearned Readers are presented with a view of Rabbi Jesus as the consummate master teacher with a keen sense of humor whose central theme was love **Handbook for the Study of the Historical Jesus (4 Vols)** Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies **The Real Kosher Jesus** Michael L. Brown, 2012 Jesus Yeshua The most influential Jew who ever lived The most controversial Jew who ever lived He has been called a rabbi a rebel a reformer a religious teacher a reprobate sinner a revolutionary a redeemer Some have claimed he was a magician others the Messiah Some say he was a deceiver others say he was divine Who is this Jesus Yeshua and why are we still talking about him two thousand years later Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus a Kosher Jesus that Jews can accept By reclaiming Yeshua as a fellow Jew and rabbi he has taken a very major and truly wonderful step in the right direction but by re creating Jesus he has also robbed him of his uniqueness The Real Kosher Jesus takes you on a journey to uncover the truth It is a journey filled with amazing discoveries and delightful surprises a journey that is sometimes painful but that ends with joy a journey through which you will learn the real story of this man named Yeshua the most famous Jew of all time the Jewish nation s greatest prophet the most illustrious rabbi ever the light of the nations and Israel s hidden Messiah **A Guidebook to Prayer** MaryKate Morse, 2013-11-04 Why is it so hard to master consistent and meaningful prayer MaryKate Morse explores 24 pathways of prayer meant to give readers a vast array of ways to focus and reflect Whether you are a beginner or a lifetime person of faith you will find a treasure trove of riches here to guide you into a deeper experience of prayer

Humor in the Gospels Terri Bednarz, 2015-05-05 Humor in the Gospels is the most comprehensive resource on Gospel humor to date Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little known journal articles and out of print books to the most well respected classical works of today She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs She examines the barriers of associating humor with the Gospel depictions of Jesus the difficulties of identifying humor in ancient biblical texts and the advances of literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general *Restoring the Gospels' Jewish Voice* Watson, Murray, 2023 Although Chouraqui and his work are well known and celebrated in many parts of the world especially in Israel and in the francophone world he is almost completely unknown in the anglophone world This

book represents an attempt to introduce his important work and inspiring legacy to an English speaking audience and to explore how it can enrich Jewish Christian dialogue today As a bilingual translator and Biblical scholar I am able to make Chouraqui s work accessible to English speakers who are unfamiliar with him who may be intrigued by him but unable to directly access much of the material written by and about him in French Criteria for Authenticity in Historical-Jesus Research Stanley E. Porter,2004-12-10 Historical Jesus research continues to captivate the interests of scholars Recently there has been renewed discussion of the criteria for authenticity This study traces the history of this type of research especially in terms of authenticity criteria **Muhammad and Jesus** William E. Phipps,2016-10-06 This carefully researched and provocative treatment of the two most influential persons in world history sets aside the cultural prejudices that often hamper open honest comparison of Muhammad and Jesus Phipps begins with a thorough biographical investigation of the early lives of the Meccan and the Nazarene and a thoughtful assessment of their later contributions as statesman and reformer He then debunks many of the invidious myths about Jesus and Muhammad during the course of a careful exploration of the ways in which they interpreted Hebrew Scriptures their prescriptions for moral conduct and their attitudes toward rewards and punishment on earth and in the afterlife **Speaking with Spirit** Dr. Wanda Vassallo ,2018-01-08 Speaking with Spirit A Guide for Christian Speakers was deemed the most thorough treatment on the subject of public speaking I have ever seen by Linus Wright Former Under Secretary in the U S Department of Education Vassallo published a former edition of this book in 1990 which was declared a must for an excellent collection of books of this genre by the American Library Association Endorsements This extraordinary piece of work is the most thorough treatment on the subject of public speaking I have ever seen Speaking with Spirit is full of factual information organized in easily recognizable categories I was particularly gratified to find not only a catalog of possible openings for different types of speeches but also an example of each taken from a successful presentation When you have finished Wanda s book you will regard speaking before an audience as something to anticipate with confidence and optimism LINUS WRIGHT Former Under Secretary U S Department of Education and Dallas Schools Superintendent At last A public speaking book written especially for Christian speakers Wanda s book will serve as a trusted guide for the novice speaker as well as a valuable reference for the experienced speaker cast onto unfamiliar turf such as appearing on television for the first time Her examples of different genres of speeches tailor made for Christian audiences provide a treasure trove of proven material MAMIE MCCULLOUGH Motivational Speaker and Author I am so pleased that Wanda has written another book on speaking Her previous book on the subject proved to be very popular at our conferences We sold several hundred copies Wanda has spoken at our conferences over the years and has always been a favorite among our people I know this book will be well received I am eager to begin offering it to our conference attendees REG A FORDER Director of American Christian Writers This book by Wanda Vassallo will be much appreciated and used by pastors and leaders in Christian churches as well as by speakers in other contexts

Having served as a pastor for 28 years as well as being a theological educator and a denominational executive I am called on to speak in a variety of settings Based on my experiences I know that Wanda s book will be a priceless resource for the Christian leader I recommend it without reservation REV RONALD E VALLET D Min Author Adjunct Professor McMaster Divinity College Pastor Fredonia Baptist Church Fredonia N Y Minister for Stewardship and Mission Support American Baptist Churches of New York I taught Communications in a Christian University for many years and often used Jesus Christ as an example of the greatest of the communicators Naturally I directed my students to scriptures that verified that fact but I never had a complete scriptural reference to Christ s sermons teachings speeches and arguments Now Wanda Vassallo has included in her first rate public speaking textbook a chapter on Jesus as a Speaker Our Example This is a true blessing for the Christian speech teacher It s all there in Dr Vassallo s book all the scripture references the interpretations of those scriptures and the speech techniques of Christ It s all there in a textbook that goes on to tell the student and the teacher how best to present oneself before an audience It s all there in one volume a complete course in public speaking A text like this with Jesus as the master speaker has long been needed Now it s available Our prayers have been answered Thank you Dr Wanda Vassallo DR ROSE MARY RUMBLEY University Professor Professional Speaker and Author **Humor in the Midst of Mark** Jon Carman,2024-11-21 Humor in the Midst of Mark applies methods developed in humor studies to explore how the Gospel of Mark uses incongruity and humor in the miracle accounts in Mark 4 35 6 6 By positioning the gospel within the broader context of comedic texts from antiquity Jon Carman explores the social psychological and pedagogical effects that humor may have had on ancient audiences of Jesus followers as they encountered performances of the gospel Carman s study demonstrates that humor studies offers a new window into reading and understanding characterization and Christology not only in the Gospel of Mark but also in other early Christian texts *Mark Twain's Religion* William E. Phipps,2003 Although there are many studies of America s most famous literary figure this thorough investigation provides not only new information on Twain s religion but also a different approach from anything published before Interpretations of Twain over the past century have been largely the province of literary critics By skillful textual analysis they have produced an abundance of nuanced studies but they tend to have little interest in and knowledge of the broad religious context of Victorian society which both angered and intrigued Twain Phipps provides perceptions often overlooked into the way Clemens s religion was related to such significant issues as racism imperialism and materialism This study takes a close look at his growing up in the slave culture of Missouri Protestants and his subsequent involvement in the radically different abolition culture in which his wire was raised Like Twain who aimed at communicating with the common person Phipps has written in a style that will attract the educated public while providing fresh insights for Twain scholars His research has taken him to Hannibal Elmira Hartford and to the Twain archives in Berkeley Mostly chronological the book makes extensive use of Twain s works and often neglected in such studies on Twain the Bible his most important literary source **Amazing**

Grace in John Newton William E. Phipps, 2004 In *Amazing Grace* the best loved of all hymns John Newton's allusions to the drama of his life tell the story of a youth who was a virtual slave in Sierra Leone before ironically becoming a slave trader himself Liverpool his home port was the center of the most colossal lucrative and inhumane slave trade the world has ever known A gradual spiritual awakening transformed Newton into an ardent evangelist and antislavery activist Influenced by Methodists George Whitefield and John Wesley Newton became prominent among those favoring a Methodist style revival in the Church of England This movement stressed personal conversion simple worship emotional enthusiasm and social justice While pastor of a poor flock in Olney he and poet William Cowper produced a hymnal containing such perennial favorites as *Glorious Things of Thee Are Spoken* and *God Moves in a Mysterious Way* Later while serving a church in London Newton raised British consciousness on the immorality of the slave trade The account he gave to Parliament of the atrocities he had witnessed helped William Wilberforce obtain legislation to abolish the slave trade in England Newton's life story convinced many who are found after being lost to sing Gospel hymns as they lobbied for civil rights legislation His close involvement with both capitalism and evangelicalism the main economic and religious forces of his era provide a fascinating case study of the relationship of Christians to their social environment In an afterword on Newtonian Christianity Phipps explains Newton's critique of Karl Marx's thesis that religious ideals are always the effect of what produces the most profit Phipps relies on accounts Newton gives in his ship journal diary letters and sermons for this most readable scholarly narrative

Debating

Sharia Anna Korteweg, Jennifer Selby, 2012-05-03 When the Islamic Institute of Civil Justice announced it would begin offering Sharia based services in Ontario a subsequent provincial government review gave qualified support for religious arbitration However the ensuing debate inflamed the passions of a wide range of Muslim and non Muslim groups garnered worldwide attention and led to a ban on religiously based family law arbitration in the province *Debating Sharia* sheds light on how Ontario's Sharia debate of 2003-2006 exemplified contemporary concerns regarding religiosity in the public sphere and the place of Islam in Western nation states Focusing on the legal ramifications of Sharia law in the context of rapidly changing Western liberal democracies *Debating Sharia* approaches the issue from a variety of methodological perspectives including policy and media analysis fieldwork feminist examinations of the portrayals of Muslim women and theoretical examinations of religion Sharia and the law This volume is an important read for those who grapple with ethnic and religious cultural diversity while remaining committed to religious freedom and women's equality

Clerical Celibacy

William E. Phipps, 2004-09-10 The recent sex abuse scandals in the Catholic Church raised new questions about the abilities of a celibate priesthood to deal realistically with matters of sexuality Critics and journalists who have examined these scandals have called for an end to mandatory celibacy for priests In this overview Phipps points out that mandatory celibacy is relatively new fangled having appeared during the last half of the church's existence The innovation was imposed in the feudal and crusading era a dark period for the Church In order to provide this survey Phipps probes ancient religious texts

and church history and uses studies that provide factual assessments of the general individual and cultural consequences of celibacy He avoids anecdotal evidence about celibacy and offers a balanced exploration by allowing celibate advocates and church representatives to speak in their own voices about these matters BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Divine Instruction in Early Christianity* Stephen E. Witmer,2008 Stephen E Witmer investigates an important aspect of early Christian self understanding the conviction of some early followers of Jesus that they had been and were being taught by God in fulfillment of Old Testament prophetic promises especially Isa 54 13 and Jer 31 33 34 While concentrating upon the idea of divine instruction in the Johannine corpus he also gives attention to the Pauline writings and to Matthew This allows for an analysis of the way in which multiple early Christian communities understood the concept both the unity and diversity of NT developments of the idea are noteworthy The author argues that the early Christian communities re interpreted the prophetic promise of eschatological divine instruction in light of the teaching of Jesus and the Spirit *Humor Us* Donald Capps,2016-10-21 This book addresses the fact that Americans tend to live under a considerable amount of stress tension and anxiety and suggests that humor can be helpful in alleviating their distress It posits that humor is a useful placebo in this regard cites studies that show that humor moderates life stress considers the relationship of religion and humor especially as means to alleviate anxiety proposes that Jesus had a sense of humor suggests that his parable of the Laborers in the Vineyard has humorous implications for the relief of occupational stress explores the relationship of gossip and humor and suggests that Jesus and his disciples were a joking community It concludes that Jesus viewed the kingdom of God as a worry free existence William Sheppard William E.
