drawn to the idea of practicing in total secrecy and solitude others crave a group of like minded individuals to learn from and worship with Those who seek a structured traditional form of Wicca to follow are likely to benefit from coven membership After all this is how Wicca began as a group centered practice taking place within a gathering of Witches for the purpose of conducting ritual and magic In fact the coven was the vehicle for the rise of Wicca first in Europe and then in the United States and beyond There are covens practicing today whose members can trace their initiatory lineage back to the mid 20th century and will continue carrying on their traditions well into this century and beyond Yet coven life is not for everyone Some people work best within the looser structures of Wiccan circles which are more informal but still offer a sense of belonging to a spiritual community These groups can be a great place to acquire knowledge and experience while marking the important Wiccan holidays the Sabbats and Esbats with rituals and celebrations Still others opt for solitary practice either because there isn't a Wiccan community in their vicinity or because they simply like to chart their own course in a completely independent manner Those who choose this solo path have the most freedom and flexibility yet they also face a wider range of decisions to make If you're going it alone do you still want to follow a particular Wiccan tradition If so where can you find information about what to do and how and when to do it And what does it mean if you prefer to develop a more individualized approach to your practice After all Wicca has always been a continually evolving religion so to adapt traditions according to your own intuition is actually a sort of tradition in and of itself A Traveler's Guide to the World of Wicca As you can see there are many ways to understand and experience the core essence of Wicca and it may take awhile for you to discover where your individual journey begins Finding Your Path by best selling author Lisa Chamberlain was created as an orientation to these possibilities In this book you'll be introduced to the wide spectrum of contemporary Wiccan practice with tips to help you make well informed decisions about where you want your journey to take you The role of the coven in the birth and rise of Wicca The benefits and potential drawbacks of belonging to a coven The differences between covens and circles The pros and cons of solitary practice The differences between traditional and eclectic practices Introductions to the most widely practiced Wiccan traditions Gardnerian Alexandrian and Dianic as well as a handful of other less common forms How to find your Wiccan community should you desire to join one By the end of this guide you will have a solid understanding of the amazing diversity of the Wiccan religion You will also ideally have a clearer view of what your own next steps along the path will be If you're ready to start your journey scroll to the top of the page and select the buy button Readers will also be treated to an exclusive free eBook **Witch's Circle** Maria Kay Simms, 1996 Learn everything you need to know about setting up and running your own Wiccan coven including how you can use aspects of astrology to help guide you when you get The Witch's Circle previously titled Circle of the Cosmic Muse by Maria Kay Simms Although there are many excellent guides to setting up covens The Witch's Circle is by far the most complete It covers all of the theory and practice you need to run a coven The New Renaissance of spirituality and how it relates to astrological ages The ethics and

practice of contemporary Wicca Magick theory healing protection raising energy and more The order and parts of ritual Astrology and ritual Rituals for the eight Sabbats Full Moon rituals for a year the astrological moons Other rituals including handfasting memorials healing cleansing and charging a place and more How to find or start a circle Making ritual accessories including robes wreaths masks and wands Herbs and oils Music for ritual including over two dozen songs and chants The Witch s Circle is a serious Wiccan Book of Shadows that will teach you to incorporate the archetypes of astrology into your practice Wicca and astrology together create a potent tool for understanding the dualities of the Wheel of the Year and for expressing them in powerful new ways The Witch s Circle is the only book of rituals that uses the deep insights of astrology to unlock the ancient spiritual mysteries of Wicca This unique joining of Wicca and astrology is key to deciphering the hidden symbolism of Wicca and enriching your spiritual practice Written by a High Priestess astrologer of an active Wiccan coven the living rituals presented in The Witch s Circle are the first of their kind You can practice them to express the vital energy underlying each Pagan celebration and to experience Wicca more fully than you ever have before **Wicca**
