How to Use Microsoft Office 97 Sherry Kinkoph, Kathy Ivens, 1998 How to Use presents you with a straightforward visual approach to learning The steps and graphics guide you through the tasks you ll need to perform in Office 97 *Easy PowerPoint for Windows 95* Elizabeth Eisner Reding, 1995 A four color beginners guide to PowerPoint for Windows 95 covering over 100 of the most commonly used features without overwhelming new users with details The gallery of sample documents provides an excellent way for beginners to practice the skills they learn throughout the book *PowerPoint for Windows 95* Tracy Lehman Cramer, 1995 This reference book on PowerPoint for Windows 95 covers topics by means of screen shots and callouts which walk the reader through each task **Microsoft Power Point 2000** Varsha Verma Shekhar, **Using Microsoft PowerPoint** Gregory A. Crawford, 1998 Written specifically for librarians this guide pays extra attention to those features which are particularly useful in libraries such as creating reports for staff board members tenure committees and classes or developing information kiosks with continuous loop information on library hours or special announcements PowerPoint 4 for Windows SmartStart Dan Speers, 1995 Microsoft Office 4.2 Survival Guide for Macintosh Charles Seiter, Tonya Engst, Barrie A. Sosinsky, 1995 Featuring information on the most popular integrated package of software Microsoft Office this guide offers comprehensive coverage of Word Excel PowerPoint and Mail It covers the general nature and use of Microsoft Office and details the capabilities and functions of the program so readers have the proper orientation as they begin to learn the programs *How to Design an Effective Graphics Presentation* Patricia A. Moore, 1981 **Field Guide to Microsoft PowerPoint 4** Stephen L. Nelson, 1994 This new addition to the Field Guide series will be a big hit with the more than one million PowerPoint users With illustrations excellent navigational aids and more information than you could imagine this title is a must have for anyone who wants quick answers on Microsoft PowerPoint The guide also covers sharing information with other applications in Microsoft Office *Oral Storytelling and Teaching Mathematics* Michael Schiro, 2004-03-19 Click Additional Materials for downloadable sample This book presents two stories created by Michael Schiro and told by Doris Lawson in her mathematics classroom The authors lay a foundation for weaving together mathematics and an epic story The purpose of telling an epic story one that takes several days to finish is to guide students through several stages of learning in order to help them develop mathematical skills The story not only presents mathematical skills that students need to learn but also situates the mathematics in a context that is interesting engaging and relevant Part 1 The Wizard s Tale discusses teaching addition and multidigit number The full story with commentary is presented This story is intended primarily for second third and fourth grade students Part 2 The Egypt Story connects problem solving and the social studies curriculum by exploring ancient Egypt This story has been used with sixth graders An accompanying CD contains the complete text of each story and the worksheets used during the lesson Various other materials needed are also described If it is true that every teacher is an actor or actress at heart the challenge to develop one s oral story telling skills is intriguing Equally important however is the rich discussion about such issues as the

structural relationship among teachers students and mathematics the pedagogical issues in teaching and learning mathematics mathematics and culture multicultural mathematics instruction and ideology I would definitely recommend this book to all those who teach mathematics Jean Morrow Emporia State University MATHEMATICS TEACHING IN THE MIDDLE SCHOOL This book makes significant contributions to the field of mathematics education in many areas Its use of oral storytelling as a means of teaching algorithms and problem solving its presentation of a collaborative teaching model that can be generalized to all mathematics teaching its presentation of a new perspective on problem solving enhancing the currently popular approach and its insights into multicultural mathematics all provide a wealth of knowledge for pre service and in service classroom teachers as well as mathematics education instructors Dr Rainy M Cotti Rhode Island College It is very well written It avoids math education jargon but at the same time discusses deep issues in the subject References to the literature are useful and well chosen The book flows very well very well I liked the way of starting with stories and the stories of the classroom lessons This gives a good foundation for the more theoretical discussions later in the book Susan Addington California State University San Bernardino Epic oral storytelling is an exciting new instructional method that complements existing ways of teaching Oral Storytelling and Teaching Mathematics Pedagogical and Multicultural Perspectives provides the first serious exploration of the role that oral storytelling can play in helping children learn mathematics Oral Storytelling and Teaching Mathematics contains two case studies of teachers telling epic oral stories to teach math to elementary and middle school students The book also includes theoretical discussions of essential elements of oral storytelling multicultural education how oral storytelling can help children who have difficulty learning mathematics and mathematical problem solving This book significantly extends two pedagogical movements that have recently influenced mathematics teaching the use of physical manipulatives and visual imagery and the use of children s literature It takes a giant leap in leaving behind the written word for oral language and integrating serious mathematical explorations with fantasy Author Michael Stephen Schiro presents the teaching of mathematics often a high anxiety subject in a non threatening innovative fashion via the use of epic storytelling It is written in a conversational tone and includes numerous sample illustrations The book s presentation of stories how a teacher actually used them in class along with students responses and a discussion of the educational value of such strategies make this a comprehensive work that recognizes teachers capabilities and concerns about employing the best available educational practices The accompanying CD ROM contains the full text of two epic stories plus additional worksheets handouts and artwork This book will be of immediate interest to both pre service and in service teachers and all educators devoted to providing children powerful mathematical and literary experiences [How to Use Microsoft Office 2000](#) Sherry Kinkoph, 1999 How to Use Microsoft Office 2000 covers all Office applications Word Excel PowerPoint Outlook Access and Internet Explorer The focus of coverage is on the core features that you need to understand on an ongoing basis The book also covers the new features such as web collaboration to give you a feel for the power of this new suite and whet

your appetite to learn more *Running Microsoft PowerPoint for Windows 95* Stephen W. Sagman,1995 A one stop guide for all levels of PowerPoint users this book provides a comprehensive easy to access example filled user s guide and reference to PowerPoint for Windows 95 It is targeted to all levels of users who want a one stop information guide from a PowerPoint and graphic design expert Understanding and Using Microsoft PowerPoint for Windows 95 Lisa L. Friedrichsen,1996 Using PowerPoint 4 for Windows Rich Grace,1994 PowerPoint is one of the bestselling presentation graphics programs for Windows Beginning with basic tasks such as creating and printing a presentation the book moves on to more advanced features such as special effects and the use of color It also shows how to create various types of charts through the use of examples and chart make overs The Wizard Henry Rider Haggard,1896 All that day we explained and all the next or rather my friend did for I knew very little of the language and they listened with great interest At last the chief of the wizards and the first prophet to the king rose to question us He was named Hokosa a tall thin man with a spiritual face and terrible calm eyes
