God's DNA Donald A. Broadwater, 2007-10-22 There have been all kinds of explanations suggested for what happened at Pentecost When God first poured out his Spirit's Life upon the church it became obvious that God was at work Many explanations of what happened at Pentecost have reduced this spiritual phenomenon to a list of things we ought to be doing What this approach to ministry forgets is that Pentecost was not about what we need to be doing It is about what God was doing and what God continues to do by bringing Christ to dwell within God's people Pentecost show us that you can't reduce the mystery of life in the Spirit to a ministry model that can be duplicated whenever we want If it could wouldn't that have happened by now in America May I ask you to consider whether any ministry program has brought lasting revival to this nation What I believe we have seen is the hope for revival being shared and we are very passionate about that But our passion or our programs will not produce life in us or in others Only God can do that What we need is a fundamental transformation of our lives and ministries Only the Spirit of God can cause a person to be born again John 3:5-7 Only the Spirit of God can enable a walk with Jesus Galatians 3:1-3 And only the Spirit of God can bring about the awakening and revival that this nation needs Acts 4:31 Pentecost teaches us that it is not about having the right model for ministry If anyone had a model for ministry that could not be improved upon it was Israel God told Moses to make their ministry after the pattern he had seen on the Mountain as he met with God Exodus 25:9-40 And while this ministry was to be preformed it had no power to transform the lives of those believers who faithfully sought to maintain its ritual because their hearts could not be changed by the outward observance of any law Hebrews 7:19 The author of the Epistle to the Hebrews puts it this way This is why Moses was warned when he was about to build the tabernacle See to it that you make everything according to the pattern shown you on the mountain Hebrews 8:5 But God found fault with the people and said The time is coming declares the Lord when I will make a new covenant with the house of Israel and with the house of Judah It will not be like the covenant I made with their fathers when I took them by the hand to lead them out of Egypt because they did not remain faithful to my covenant and I turned away from them This is the covenant I will make with the house of Israel after that time declares the Lord I will put my laws in their minds and write them upon their hearts I will be their God and they will be my

people No longer will a man teach his neighbor or a man his brother saying Know the Lord because they will all know me from the least of them to the greatest For I will forgive their wickedness and will remember their sins no more By calling this covenant new he has made the first one obsolete and what is obsolete and aging will soon disappear Hebrews 8 8 13 So it is not about getting our model for ministry right or about having the right program or is it about knowing Christ and walking as he did but only the Spirit s presence in our lives can do that The book of Acts shows this over and over again Luke had already written the gospel named after him and he refers to this as my former book when he starts his preface in Acts Acts 1 1 He says that the gospel of Luke recorded all that Jesus began to do and to teach until the day he was taken up to heaven He then wrote Acts which recorded what Jesus continued to do and teach except now it is through the agency of the church as empowered by his Holy Spirit Luke s record is a diary of what happened as God s presence returned to earth with the outpouring of the Holy Spirit upon the church Jesus was on the throne in glory but he

Petite, 2012-03-21 Jesus Saves even on the job In October of 1981 the National Training Center at Ft Irwin Ca was opened as a training facility for US Army units The work force was civilian government contract employees This work force was involved in among other evil and detestable practices drug use alcohol use and sex while on the job It was a playground for Satan and his followers This is the last place anyone would expect to hear anything about God But God soon began a work that would touch the hearts and lives of the extremely Godless people in this place God turned the Track and Wheel Shops at Ft Irwin into a mission field Starting with one man not the author God began a revival in the work place that saw many get saved and go on to various ministries and the mission field This movement eventually grew into a weekly organized Bible Study that is still thriving and seeing lives changed This book tells the true story of how Jesus came into this place of work and saved people from their despicable evil lifestyles of sin Although this story is told from the experience of one person it could be told multiple times by a number of people with different experiences and testimonies The accounts of the work which God did there over the years would fill volumes and would contain endless testimonies of how the Lord worked in the lives of all those involved or those whose lives were touched by this work When I arrived at Ft Irwin in July 1982 I was a drunk who neglected my family and only cared for my own evil desires By the end of 1984 I was saved and living free from alcohol and was not only walking with Jesus but on my way to active ministry work at the job site and in the Church There are no exaggerations in this book only the truth of what Jesus did in the lives of me and those around me and beyond It is a testimony to what the Lord can do if we are open to His work in our lives Do you take Jesus to work with you All too often Christians leave Jesus at home when they go to work An undercover Christian is unable to reach anyone for Jesus We need to be ambassadors for Jesus and take the gospel message to the work site and watch as the Lord saves souls That is what happened at Ft Irwin in the Track and Wheel Shops We were all truly amazed at the work He was able to do simply because we were obedient to His calling This work of God which exists among the evil lifestyles of this workforce truly stands out like

Zacaroli, 2014-06-23 Jesus is very candid about what He calls us to do whether its prayer love confession judgment or even just to trust in Him But often the last thing we do is the first thing He requires which is to simply obey Obey is a candid look at the way Jesus calls us to live through His words and commands It is a reflection of one followers journey beginning on a mission in poor rural South Africa to fully appreciate the power of obedience to Jesus What he found was that Jesus never gave unclear ambiguous instructions for life He was very straightforward While His commands are not always easy they are life changing for those who choose to listen pray and act on them Obey provides a challenging but inspirational starting point to achieving the power of the obedient life **Eat My Flesh And Drink My Blood** Rev. of Holy Communion we eat the bread in remembrance of the flesh of Jesus and drink the wine as the ceremony of His blood. As such the real meaning of Holy Communion is to strengthen our faith in the Truth that Jesus has saved us from the sins of the world and given us everlasting life through His baptism and His death on the Cross. However the problem is that almost all Christians take part in Holy Communion only formally without even realizing what Jesus meant by the phrase My flesh is food indeed and My blood is drink indeed John 6:55. Therefore within the gospel of the water and the Spirit we need to once again focus on the meaning of Jesus' commandment to eat His flesh and drink His blood and believe in it. The New Life

But how is it possible to encounter God in reading the words of the Bible? Does reading the Christian Bible require a different approach from how one may read other texts or writings? What is required of the spiritual reader to read well? Seeking to answer such questions, Angela Lou Harvey provides a theological exploration of the idea of spiritual reading in the context of the Western church today. Drawing upon insights of theologians such as Karl Barth, Henri de Lubac, and Ellen F. Davis, the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible.
