The Vampires Shared Bride:

The Vampire's Shared Bride Bonnie Burrows, 2015-08-27 vampires Valad and Michael control the town and every ten years they pick a fertile woman from the village to be wedded to them as part of a tradition that dates back to over a century. No one knows what happens to the women once they are chosen and quite frankly no one wants to know. The simple fact is they are never seen again. When curvy Siona discovers that her newly engaged best friend is the next girl to have been selected, she does what no woman has ever done before. Siona volunteers herself to be chosen and to take her friend's place. Now she is about to enter the unknown with no idea if she will ever return. When Siona volunteered to become the Vampire's shared bride, she had absolutely no idea of what was to happen. And there is nothing in this world that could have prepared her for what actually DID happen.

The Transmedia Vampire Simon Bacon, 2022-02-18 This book explores vampire narratives that have been expressed across multiple media and new technologies. Stories and characters such as Dracula, Carmilla, and even Draculaura from Monster High have been made more real through their depictions in narratives produced in and across different platforms. This also allows the consumer to engage on multiple levels with the vampire world, blurring the boundaries between real and imaginary realms and allowing for different kinds of identity to be created while questioning terms such as author, reader, player, and consumer. These essays investigate the consequences of such immersion and why the undead world of the transmedia vampire is so well suited to life in the 21st century.

The Dragon's Find Jessie Donovan, 2023-03-16 A grumpy sunshine snowed in only one bed story about a dragonman and his fated human female. On Jenny Hartmann's drive up the mountain to a friend's cabin for a much needed escape, her old car breaks down. Stranded on the snowy mountain with no town or other cars in sight, she has no choice but to walk to find help. And of course, she soon falls on her butt and hurts her leg. While cursing the world for her crappy luck, a tall, sexy dragonman finds her and offers to help. Even though it means possibly being alone with a stranger for who knows how long, let alone what he'll do, the dropping temperatures give her little choice. As soon as she accepts his help, he carries her to his little cabin and proceeds to take care of her. The dragon shifter named Daniel Torres says little, but he doesn't try to curb her ramblings or make her feel embarrassed about having little to no filter. In fact, she tells him things she's kept from even her sister. And after they huddle together in the only bed to keep warm, things start to shift, and she wants things she can't have. But a surprise from the dragon shifter's main enemy changes everything. And soon Jenny must decide if she wants a future with the dragonman or if she has to flee to stay safe from his inner dragon.

The Palgrave Handbook of the Vampire Simon Bacon, 2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024. This Handbook MRW is a unique encompassing overview of the figure of the vampire. Not only covering the list of usual suspects, this volume provides coverage from the very first reports of vampire-like creatures in the 17th century to film and media representations in the 21st century. The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating
