The Velvet Monkey Wrench:

The Velvet Monkey Wrench John Muir, 2000 Humankind must learn to progress without contention HERE WE ARE at the beginning of a new millennium and many of our social systems and ways of governing seem to fit like clothes from the back of the closet too tight and out of date It s time to try something different something more practical fair and fun The Velvet Monkey Wrench presents a way for humankind to exist on this planet in balance sensibly using what Earth has to offer It explains a way to create a modern governmental structure which gives the People finally the right to choose their present and future a blueprint for a consensual society Complete directions enclosed This book first appeared in the dark days of the nuclear arms race the bombing of Cambodia Kent State Watergate and Wounded Knee Today exhausted by consumerism dog eat dog competition and more wars we re still asking How do we get out of this mess It s time to give John Muir s ideas a fresh look Dead on or off the wall his prescient concepts will challenge your imagination Here is a no holds barred practical plan infused with satirical audacity and a warm caring humanity
