Forgiveness Adam Hamilton, 2012 If your enemies are starving feed them some bread if they are thirsty give them water to drink Proverbs 24 17 CEB There is nothing more crippling than holding on to anger Anger more than any other emotion has the power to consume all aspects of our lives distort our sense of purpose and destroy our relationship with God In the passionate and life changing book Forgiveness Finding Peace Though Letting Go bestselling author Adam Hamilton brings the same insight that he applied in the bestseller

Why to the challenge of forgiveness Hamilton argues that revelation comes when we realize that forgiveness is a gift we give ourselves rather than to someone else He also contends that only when we learn to forgive others and ourselves can we truly receive forgiveness from God Adam Hamilton not only reminds us about the importance of reconnecting the broken pieces of our lives but shows how the process of grace and forgiveness is possibly our most complete picture of God Shane Stanford author of Making Life Matter Embracing the Joy in the Everyday The heartbeat of the gospel is grace With practical insight Hamilton makes grace understandable both for seeking and for granting forgiveness I highly recommend this book Melody Carlson author of Healing Waters A Bible Study on Forgiveness Grace and Second Chances Adam Hamilton's book offers clear guidance for believers struggling with the practical application of our biblical imperative to forgive It is a must read for both Christian counselors and every person who has something or someone to forgive Jennifer Cisney Ellers author of The First 48 Hours Spiritual Caregivers as First Responders Deeply rooted in the Bible's testimony about God's extravagant mercy this fine little book explores the Christian call to practice both repentance and forgiveness in the image of God Straightforward and practical Hamilton vividly sketches the habits of the heart that discipleship requires in our daily relationships with spouses and intimate life partners family members friends and strangers Patricia Beattie Jung Professor of Christian Ethics Saint Paul School of Theology

When Christians Get it Wrong Adam Hamilton, 2010 More and more young adults have opted out of Christianity and the church The reason Christians When young adults talk about the problems they have with Christianity and the church they often name certain attitudes and behaviors they believe are practiced too often by Christians judging others condemning people of other faiths rejecting science injecting politics into faith and being anti homosexual With his familiar style Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world Those who read When Christians Get It Wrong will gain a different way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith Because honestly if we don't start getting it right we may lose an entire generation
