Whitehead quickly takes this concept beyond the screen and considers its application to the interior setting. By learning to use the ingredients that inform an interior *mise en scène* such as its backdrop, choice of props, use of special effects alongside the application of colour, pattern, graphics, light and shadow, an immersive atmospheric experience can be created. Packed with inspiring examples and case studies ranging from cinematic interiors and art installations to the work of notable interior designers, stylists and architects with an interior interest, this book broadens current thinking around the design of the decorated interior. It will help you to embrace the concepts that underpin an interior *mise en scène* through the use of softer decorative techniques and concerns. **Transmedia Directors** Carol Vernallis, Holly Rogers, Lisa Perrott, 2019-12-26
