Michael J. Gilmour

The Wind In The Willows Oxford Worlds Classics:

The Wind in the Willows Kenneth Grahame,2010-07-08 The story of the escapades of four animal friends who live along a river in the English countryside complete with many scholarly extras

Serialization, Commercialization and the Children's Classics Amy Webster,2024-12-12 An exploration of the serialization of children s classics by contemporary publishers this book digs into the impact of the practice and provides new ways of reading the corpus of British children s literature from the 20th century Amy Webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children s literature emerged The text also examines how texts are abridged and transformed from publisher to publisher through close readings of *The Wind in the Willows* and *Alice s Adventures in Wonderland* and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements Analysing data through distant reading and close reading of series from Ladybird Longman Puffin and Walker Illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity Through her use of quantitative and text focused research Webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in British children s publishing With notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children s classics that acknowledges how they are tied to the commercial enterprises of the children s book business

Animals in the Writings of C. S. Lewis Michael J. Gilmour,2017-09-19 This book examines C S Lewis s writings about animals and the theological bases of his opposition to vivisection and other cruelties It argues Genesis is central to many of these ethical musings and the book s organization reflects this It treats in turn Lewis s creative approaches to the Garden of Eden humanity s dominion over the earth and the loss of paradise with all the catastrophic consequences for animals it presaged The book closes looking at Lewis s vision of a more inclusive community Though he left no comprehensive summary of his ideas the Narnia adventures and science fiction trilogy scattered poems and his popular theology inspire affection and sympathy for the nonhuman This study challenges scholars to reassess Lewis as not only a literary critic and children s author but also an animal theologian of consequence though there is much here for all fans of Mr Bultitude and Reepicheep to explore

The Wind in the Willows Kenneth Grahame,2015-06-23 Join Mr Toad and all his friends for a wild ride and other stories of life on the riverbank Beyond the Wild Wood comes the wild world said the Rat And that s something that doesn t matter either to you or to me I ve never been there and I m never going nor you either if you ve got any sense at all Kenneth Grahame *The Wind in the Willows* Kenneth Grahame s *The Wind in the Willows* is a classic tale of four animal friends and their adventures *The Wind in the Willows* is a novel that celebrates personal responsibility friendship and the joy of home

Studying Culture Judy Giles,Tim Middleton,2008-01-29 Fully revised and updated this second edition is an

Forthcoming Books Rose Army,1999-04 *The Oxford Book of Modern Fairy Tales* Alison Lurie,1994 The stories of magic and transformation that we call fairy tales are among the oldest known forms of literature and are also among the most popular Jack and the Beanstalk Sleeping Beauty Little Red Ridinghood these ageless tales seem to have been written an almost magically long time ago Yet fairy tales are still being created to this very day And while they are principally directed to children and have child protagonists these modern fairy tales like the classics have messages to those of all ages In *The Oxford Book of Modern Fairy Tales* Alison Lurie has collected forty tales that date from the late nineteenth century up to the present Here are trolls and princesses magic and mayhem morals to be told and lessons to be learned all the elements of the classic fairy tale in new and fantastical trappings In Charles Dickens s *The Magic Fishbone* we find an unusually pragmatic princess who uses her one wish only after she has tried to solve her family s problems through hard work Angela Carter s *The Courtship of Mr Lyon* is a Beauty and the Beast tale with a contemporary twist in which Beauty leaves Beast to live the high life becoming a society brat who smiled at herself in mirrors too much And in T H White s *The Troll* we find out how his father killed the troll that tried to eat him In these enchanting pages we also see how modern writers have taken the classic fairy tale and adapted it to their times in a variety of ways Francis Browne for example takes a poke at Victorian standards of beauty in *The Story of Fairyfoot* about a young prince who is cast out of the kingdom of Stumpinghame because unlike the fashion of the town his feet are too small Some writers such as Ursula Le Guin have taken familiar myths and turned them upside down In Le Guin s *The Wife s Story* a mother sees the horrible transformation of her husband into the hateful one and then watches her sister and neighbors mob and kill this creature whose hair had begun to come away all over his body the eyes gone blue staring at me out of that flat soft white face And L F Baum s *The Queen of Quok* contains a castle and royal characters in a kingdom run by common sense and small town American values At one point the boy king of Quok has to borrow a dime from his counselor to buy a ham sandwich and greed transforms his young queen to be into a haggard old woman With tales from the likes of Nathaniel Hawthorne Oscar Wilde Carl Sandburg James Thurber Donald Barthelme Louise Erdrich and many more *The Oxford Book of Modern Fairy Tales* brings us through the modern day world of the supernatural the mystical the moral and reminds us that fairy tales are still very much alive

The Oxford Book of Children's Stories Jan Mark,1994 Here are some of the very best short stories written for children over the last 250 years

Compiled by the well known children's writer and Carnegie Medalist Jan Mark this is the first anthology to trace how children's short stories evolved ranging from the publication of Sarah Fielding's *The Governess* in 1749 to Nadia Wheatley's *Convict Box* in 1992. Anyone who enjoys children's fiction whether young or old will find something to savor in *The Oxford Book of Children's Stories*. Fairy tales, ghost stories, adventures and escapades in and out of school, every genre is included here, peopled by good children and bad, strict parents and kindly aunts, kings and queens, giants and enchanters. Mark includes work by 44 different authors including well known figures such as Louisa May Alcott, Christina Rossetti, Rudyard Kipling, Max Beerbohm and Carl Sandburg, leading modern writers such as Philippa Pearce, Richard Kennedy, Nadia Wheatley and Jan Mark herself, plus many long forgotten tales that are still highly entertaining today. Chronologically arranged, the anthology also serves as an introduction to the historical development of the children's short story, providing insights into the way perceptions of childhood and contemporary attitudes have influenced writers of different periods. But as Jan Mark's discriminating selection demonstrates, the ingredients of a good children's story, as well as the fictional tastes of children themselves, have remained remarkably constant despite changes in style and outlook. This is a collection to divert and surprise, an ideal survey of the children's short story for parents, professionals and especially for the children themselves.

Transatlantic Landscapes José Manuel Marrero Henríquez, 2016 *Stories of Reading* Michael Steig, 1989 **The Wind in The Willows (Collins Classics)** Kenneth Grahame, 2012-05-31 HarperCollins is proud to present its new range of best loved essential classics *The Bookman*, 1924 **Tongues in Trees** Kim Taplin, 1989 Kim Taplin believes that reverence for nature is vital to healthy spirituality and imagination. In this series of connected essays, generously prefaced by poems and prose extracts, she considers how Keats, Clare, Barnes, Ruskin, Hopkins, Jefferies, Hardy, Edward Thomas, E. M. Forster, Ivor Gurney, David Jones, Andrew Young, J. R. R. Tolkien and Frances Horowitz have celebrated the greenwood and responded to its erosion **Guide to Reprints**, 2009 **The British National Bibliography** Arthur James Wells, 2009 *The Publishers' Circular and Booksellers' Record*, 1929 *Crash Cultures* Jane Arthurs, 2002 Since Princess Diana's car crash in 1997, media interest in the crash as an event needing explanation has proliferated. The purpose of this collection is to subject texts or films within which crashes figure to well defined cultural study **Children's Books in Print** R. R. Bowker Publishing, Bowker, 1999-12 *Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1929 **Kunapipi**, 1996

Ignite the flame of optimism with is motivational masterpiece, Find Positivity in **The Wind In The Willows Oxford Worlds Classics** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

The Wind In The Willows Oxford Worlds Classics Introduction

In today's digital age, the availability of The Wind In The Willows Oxford Worlds Classics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Wind In The Willows Oxford Worlds Classics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Wind In The Willows Oxford Worlds Classics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Wind In The Willows Oxford Worlds Classics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Wind In The Willows Oxford Worlds Classics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Wind In The Willows Oxford Worlds Classics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Wind In The Willows Oxford Worlds Classics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, The Wind In The Willows Oxford Worlds Classics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Wind In The Willows Oxford Worlds Classics books and manuals for download and embark on your journey of knowledge?

FAQs About The Wind In The Willows Oxford Worlds Classics Books

1. Where can I buy The Wind In The Willows Oxford Worlds Classics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Wind In The Willows Oxford Worlds Classics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
