Get Real Michael Hickey, 2012-02-16 From the Preface *Get real* was a slang term that became popular in the 1960s when Michael Hickey was growing up in East Boston. It implied that someone wasn't in touch with reality and had to change their way of thinking or living. If you put on the television today all you might find is one of the hundreds of so-called reality TV shows. More often than not these reality shows are illusions of reality because the real persons utilized as actors/performers are seemingly coached to act in certain ways by the directors, judges or producers who really control the reality. Nonetheless, reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public's interest in some concept of reality. As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality. Hickey believes this is because the vast majority of the populace doesn't view reality in the context of mystery. They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality. Hickey's goal is that *Get Real* will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint. Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality.

Behold the Real Jesus Dennis A. Beard, 2007-06-04 Was Jesus like us or was he different in his humanity? The righteousness of God being revealed in relation to mankind's dominion in the earthly realm is explained in pre and post glorification of Jesus Person and Work. This simple but profound revelation of Jesus reveals the love of God toward mankind as God revealed Himself in a body of flesh for our redemption, sanctification and ultimately glorification. This is timely truth as Jesus is the light that shines more and more unto the perfect day when we shall see Him as He is. All believers coming unto the knowledge of the Son of God unto a perfect man. Behold the Real Jesus proclaims truths as to the semantics of Jesus Christ before and after glorification. How the Word was made flesh as the Son of God is given in detail with scriptural foundation proving who Jesus is, was and is to come. The novice as well as the mature believer will benefit from this book. If you are tired of reading ancient theologians' manuscripts and reading commentaries pertaining to Jesus and you're ready for a fresh enlightening revelation of God then Behold the Real Jesus is for you.

God with Us Christoph Barth, 1991-04-30 This is a print on demand book and is therefore non-returnable. God's dynamic initiative is the main theme of biblical testimony, says Christoph Barth. Here he expounds the message of the Old Testament in a manner that is faithful to the Old Testament itself as an account of the mighty acts of God rather than a series of abstract doctrines. A theology of the Old Testament is not simply a study of God; however, Old Testament theology also encompasses teaching about the world and humanity, about life and death, about origin

nature and destiny And Old Testament theology must also take into account the New Testament which confirms what is announced in Israel s Scripture and thus is part of it Barth elucidates the importance of the Old Testament for the New Testament and hence for Christians surveys God s redemptive acts as recorded in the confessional summaries of history in the Old and New Testaments and offers contemporary applications of these biblical themes Working his way through the Old Testament Barth treats nine key topics each of which deals with one of the divine acts that are the essential subject matter of Israel s Scripture creation election of the patriarchs exodus wilderness wandering Sinai revelation gift of Canaan election of David kingship election of Jerusalem and sending of prophets He has divided each of the nine chapters into sections on one main aspect of the topic considering theological anthropological soteriological and eschatological points as well Throughout his examination of each theme Barth pays special attention to its scriptural context God With Us is an excellent textbook for introductory or survey courses in the Old Testament each section begins with a thesis statement summarizing its contents and details are treated in small print sections Barth originally wrote his Old Testament theology in Indonesian and later rewrote the entire book in English Geoffrey Bromiley has condensed the original four volumes in this edition
