Treatise Lust Illusion Lewis Worrow:

A Treatise on Lust and Illusion Lewis Worrow, 2015-11-02 How does evolutionary psychology shape our understanding of human mating behaviour In A Treatise on Lust and Illusion the author explores the complex interplay between biology psychology and social norms to reveal the hidden strategies and mysteries that govern the way we attract mate with and separate from each other Through a series of thought provoking declarative statements the author takes readers on a journey through the evolutionary history of mating behaviour exploring the origins of attraction and the different ways in which men and women pursue and select their partners From the allure of casual sex to the complexities of long term relationships the author unpacks the latest research on human mating behaviour to provide a comprehensive and compelling account of what it means to be a sexual being in the 21st century With an austere and succinct writing style A Treatise on Lust and Illusion offers a fascinating glimpse into the evolutionary forces that shape our most intimate relationships Whether you re interested in the science of attraction or simply curious about the mysteries of human mating this book is a must read for anyone who wants to understand the complex interplay between biology psychology and culture that underlies our most primal instincts
