Beech, Leam A. Craig, Kevin D. Browne, 2009-03-04 A comprehensive resource for practitioners working with sexual offenders Discusses assessments and interventions as well as providing a comprehensive literature review There are around 10 000 convictions or cautions for sexual offences in the UK each year early evidence suggests that treatment programmes can halve re conviction rates Edited by a University of Birmingham team who are world leaders in researching this area the subject is of interest worldwide with strong markets in Canada and New Zealand Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder **Pathways to Ruin?** Erin Gibbs Van Brunschot, Tamara Humphrey, 2022-05-30 Individuals who have committed a number of crimes over their lifetimes have had complex multi faceted life experiences often characterized by extreme disadvantage and victimization Those who are formally designated as high risk by the Canadian criminal justice system often have a record of violent or sexual crimes As a result they are usually subject to additional monitoring in the community after completing a prison sentence Pathways to Ruin disentangles the numerous elements and pathways that lead to high rates of reoffending by focusing on developmental periods of childhood adolescence and adulthood The book uses a case study approach to consider individuals entire crime pathway by examining the circumstances and factors that contribute to assumptions or official designations of high risk behaviour Erin Gibbs Van Brunschot and Tamara Humphrey overhaul society s popular crime narratives and instead draw on sociological and criminological perspectives to identify historical social and personal contexts that appear to increase the likelihood of reoffending They also consider how negative life experiences may be addressed to circumvent trajectories of serious offending Reducing the social distance that the law abiding public may feel towards marginalized groups Pathways to Ruin details how legal systems could better serve these individuals and acknowledges the many missed opportunities for compassion *Serving the Stigmatized* Wesley T. Church II, David W. Springer, 2018-06-26 America s incarceration rate was roughly constant from 1925 to 1973 with an average of 110 people behind bars for every 100 000 residents By 2013 however the rate of incarceration in state and federal prisons had increased sevenfold to 716 Compared with 102 for Canada 132 for England and Wales 85 for France and a paltry 48 in Japan the United States is the worlds most aggressive jailer When one factors in those on parole or probation the American correctional system is in control of more than 7.3 million Americans or

one in every 31 U S adults This means that 6 7 million adult men and women about 3 1 percent of the total U S adult population are now very non voluntary members of America s correctional community Some key questions that need to be addressed are What are we doing with those 7 3 million Americans How are they being treated while they are incarcerated How can we best prepare them to return to their communities More than 650 000 offenders are released back into our communities every year however 70% are rearrested within three years of their release Serving the Stigmatized is the first book of its kind that explores best practices when dealing with a specific prison population while under some form of institutional control If the established goal of a correctional facility is to rehabilitate then it is imperative that the rehabilitation is effective and does not simply serve as a political buzz word The timing of releasing this book coincides with a real movement in the United States supported by both conservative and liberal advocates and foundations to decrease the size of the prison population by returning more offenders to their communities The text examines 14 specific populations and how to effectively treat them in order to better serve them and our communities

Handbook of Violence Risk Assessment and Treatment Joel T. Andrade, 2009-03-23. This book describes violence risk assessment in both juveniles and adults, incorporating dynamic and static factors along with treatment alternatives. Research and practice are combined quite nicely along with assessment and treatment. There is something for everyone here. Score 91, 4 stars. Doody's Forensic clinicians will find this book to be a valuable reference book as well as a very useful clinical treatment guide relevant to violent offenders. Jeffrey L. Metzner, MD. Mental health practitioners are confronted with the difficult task of assessing the risk that offenders pose to the general public. This comprehensive volume provides practitioners with the knowledge and insight necessary to conduct violence risk assessments and to synthesize clinical and research data into comprehensive reports and oral testimony. Violence risk assessment requires a well-formulated and comprehensive risk management plan. Andrade and the authors present that plan and demonstrate how it can be clearly implemented in practice. With numerous clinical case studies, this book illustrates the process of conducting violence risk assessments, outlines the tools used in these evaluations, and explains how information is translated into an overall assessment and guide for future risk management.

Key Features: Investigates the etiology of violent behavior and provides a review and analysis of recent literature. Discusses both adult and youth violence, providing insight into the developmental course of aggressive behavior throughout the lifespan. Contains chapters on special populations, including female offenders, intimate partners, psychopathic, and mentally ill offenders, and sexually abusive youth. Useful to practitioners from various fields, including social work.

psychology and psychiatry as well as students in these disciplines Ultimately this book provides practitioners with an understanding of risk assessment treatment and risk management serving as an authoritative guide to applying empirical findings to mental health practice The Resettlement of Sex Offenders after Custody David Thompson,Terry Thomas,2017-07-14 Circles of Support and Accountability is a voluntary initiative that assists people with convictions for sexual offences to resettle in the community People leaving prison with such convictions often have difficulties in resettling They carry the burden of the conviction itself which may be both stigmatising and isolating and they are the subject of sex offender register requirements parole and other supervisory conditions Circles of Support and Accountability in the UK started over ten years ago and have slowly spread across the country They work closely with the police and probation services but rely entirely on volunteers prepared to give up their time to work with people often otherwise shunned by communities Circles offer support to the person concerned but also hold them accountable for their future behaviour They aim to ensure there are no more victims This book is based on original research and provides a close up picture of how these Circles of Support and Accountability work in practice It brings together for the first time the voices of all the participants from the offenders and the volunteers through to the Coordinators who link the volunteers to the professionals in the form of the police and probation services The research was commissioned by Circles UK and funded by the Wates Foundation and the University of Leeds School of Law **The Handbook of Clinical Intervention with Young People who Sexually Abuse** Gary O'Reilly,William L. Marshall,Alan Carr,Richard C. Beckett,2004-08-01 The Handbook of Clinical Interventions with Young People who Sexually Abuse provides authoritative critical and up to date reviews of the growing body of empirical and theoretical knowledge in this field and clearly demonstrates how this knowledge can be used to guide and develop evidence based practice for assessment and treatment Key features include essentials of effective treatment programmes relapse prevention adolescents with intellectual disabilities and female offenders work with families of young people who sexually abuse Practical guidelines from acknowledged international experts with extensive experience of research and clinical practice will be invaluable to all those working with young people who engage in sexually abusive behaviour
