Geotourism in the Middle East Mamoon Allan, Ross Dowling, 2023-05-24 The geotourism industry has grown rapidly in
 recent years This book introduces the geotourism industry its attractions activities and developments in selected countries of
 the Middle East A number of publications and studies have investigated the nature and scope of the phenomenon of
 geotourism tourism which starts from geology and geotourists worldwide However despite the breadth of these studies few
 publications have investigated the phenomena in the Middle Eastern countries Consequently this book seeks to shed light on
 the different aspects of geotourism and geo diversity in the Middle East and provides a number of case studies from this
 region It assists in bridging the lacuna in the tourism and geology literature and helps planners marketers managers scholars
 and researchers to enhance their knowledge about such issues It outlines opportunities for as well as barriers to geotourism
 development in the Middle East as well as providing recommendations for the advancement of geotourism in the region
